

Eptura Engage - Pricing

Pricing Model

The licence model for Eptura Engage is SaaS, whereby there is an annual subscription, payable annually in advance. The SaaS annual subscription includes the software licence, maintenance, support and the cloud Service. The cloud service included is for a single environment (production) for unlimited users. There is a minimum initial subscription period of three years.

SaaS Subscription Rates

The subscription rate is based on the number of credentialed users to have access to the system, and the tier of the Engage software solution required. Eptura offers two tiers of Eptura Engage, Advanced and Power. Features are as follows:

Eptura Engage - Advanced

- Explore available spaces on a floorplan and search for where your colleagues are working.
- Make quick room swaps, cancellations, and recurring meetings on the app.
- Easily book a meeting space from Outlook Calendar or MS Teams chat.
- Invite colleagues to a team day.
- Leverage sensor data to automatically release no shows and vacant spaces.

Eptura Engage - Power

- All the features of Advanced plus
- Intelligent booking for individuals and team collaboration.
- Use natural language commands to locate available workspaces with Copilot.
- AI feature availability via web and mobile application.

The table below shows indicative pricing for a range of location number in the system and are based on a 3 year contract. Standard contract lengths are available in one to five year terms. The annual SaaS fee includes technical user support from JLL.

Professional Services

Implementation costs are calculated based on each client's requirements. The professional services and consultancy rates that JLL offers can be found in the rate card. All rates exclude VAT and are subject to our Terms of Service.
