1 Our Mission

Successfully implementing and managing an Enterprise Service Management system is one of the most important yet challenging technology journeys a company can make.

Our mission is to help you maximise the value of your ESM solution by increasing service performance, business agility, speed and cost-effectiveness whilst delivering an exceptional experience for your customers.

4

Our Approach

Xcession focuses on key customer outcomes:

1. Improving Customer Experience (both internal and external customers)
2. Improve the ability of IT and the Business to implement change whilst minimising risk
3. Increase productivity and the value of people's work
4. Extend best practices within IT to other lines of business like HR, Finance, Facilities and Security

Our service offerings fall into three core areas:

1. Enterprise and IT Service Management Advisory
2. Enterprise and IT Service Management Implementation and Value Realisation
3. Application Management Services (Support and Development)

5 Pricing and Commercial

This service is priced in accordance with the SFIA Rate Card.

Xcession has on, near and off shore teams offering competitive rates as appropriate. Projects can be priced as Fixed Price or Time & Materials depending on the customer requirement.

Please refer to the Supplier Terms although Xcession would be happy arrange a call or meeting to discuss your requirements in more detail.

6 Social Value

Xcession is a UK based SME with a fully remote permanent and contract workforce. Our organisational values align with the UK Government initiative to Kick-Start the UK Economy, and we commit to:

- Provide an environment where our staff can enjoy their work and flourish
- Continually learn from each other, and our customers and partners
- Remain 100% unbiased in respect to people and technology
- Embrace change, constantly looking at how we are able to improve

We invest in frequent training and development of our staff for both technical and non-technical skills. We conduct annual employee surveys, and as an employer of staff who work remotely, we take very seriously our responsibilities to support our staff in their home environment.
