L8Guard Pricing Notes

Pricing is based upon:

Max Depts: The maximum number of departments / wards / areas you want to manage within the L8guard system

Legionella Module: If the Legionella Flushing module (weekly, twice weekly or thrice weekly flushing) is required

Pseudo Module: If the Pseudomonas Flushing module (daily flushing) is required

Multi-Site Module: If the client comprises of multiple different physical sites (e.g. an NHS Trust with 2 major hospitals).

Year 1 Pricing has 2 elements:

- Annual licence fee, as made up from the items above

- Implementation Fee - a one off charge based upon the approximate size of the system. This covers the data input of locations, contacts etc, as supplied by the client

Year 2 onward - only the annual licence fee is charged
