

Pricing

Visiba is Software as a Service and is therefore sold as such. Our pricing is based on population coverage and has been developed to enable healthcare services to use a high-quality product, at an affordable price.

Visiba offers flexible pricing to enable customers to obtain the best value possible. Ask your sales representative for more details.

The pricing below is inclusive of;

- Set-up activities, including onboarding and ongoing support
- Customer support
- Reports and business intelligence

Population-based costs :

Population size (population covered)	Cost per population/per year
2,000,000 (e.g ICB)	£0.5
300,000 (e.g Borough)	£0.66
30,000 (e.g PCN)	£1.30 *

*Reflecting a minimum contract value of £40,000 per year
