

Penlink G Cloud 15 Pricing

The nature of Penlink solutions means a system configuration conversation is required to support a proposal and pricing quotation. Systems are highly configurable to users specific needs with factors such as number of licences, users, modules, actions and more defining the final price. No obligation quotations can be provided per system configuration for detailed price breakdowns matching specific requirements.

Tangles by Penlink

- Tangles is licenced per concurrent user with a typical licence to user ratio of 1:3
- Tangles is deployable as an unlimited use model or a quota based plan
- Tangles core capabilities are useable standalone, or connected to numerous modules
- Licence costs reduce as the number of licences increase
- Licence costs range from £30,000 to £250,000 depending on the detailed configuration

Example 1:

- A single licence of Tangles Quota with 2 modules would cost £58,000 (~£19,350 per user)

Example 2:

- Ten licences of Tangles Unlimited with 5 modules would cost £175,000 per licence (~£58,000 per user)

PLX by Penlink

- PLX is licenced per named user
- PLX is deployable in an unlimited use model
- PLX is presented as various tiers, delivering increasing capabilities
- Licence costs are fixed
- Licence costs range from £11,000 to £18,000 depending on the tier

Example:

- Two licences of PLX Tier 1 would cost £16,160 per licence (~£16,000 per user)

GeoTime by Penlink

- GeoTime is licenced per concurrent user
- GeoTime is deployable in an unlimited use model
- GeoTime is presented fully with all its core capabilities
- Licence costs reduce as the number of licences increase
- Licence costs range from £3,000 to £4,000 depending on the number of licences

Example:

- Five licences of GeoTime would cost £3,563 per licence (~£700 per user)

InsAlights by Penlink

- InsAlights training can be product, vocational, or mixed to suit delegates requirements
- InsAlights training can be delivered online or in person, and at client or Penlink sites
- Training costs per day range from £200 to £500 depending on the course
