

CreditView Pricing

The CreditView pricing structure is dependent on the following:

1. The projected number of users
2. The desired modules to be provided
3. The length of commitment

For reference the modules currently available are:

- Credit Score
- Credit Report
- Credit Summary
- Credit Alerts
- Credit Score Simulator
- Enhanced Score Factors
- Education and Support

CreditView pricing ranges depend on the module combinations and forecasted number of users.
