Information

Pricing is based on 12 month contract term.

Professional service day rate is for any additional work outside what is covered by the Professional Services - Packaged Services.

Out of hours professional services will be charged at 150% of above day rates.

Sizing is based on Small 500 users/devices, Medium 500–5,000 users/devices Large, Over 5000 users/devices

Indexation will apply no earlier than the first anniversary of your Call Off Contract Start Date. Pricing shall be indexed on the first of January immediately following that first anniversary and annually thereafter to reflect the one-year CPI % published by the Office of National Statistics (or its successor) in the prior November. No price indexation will be applied should CPI be negative.
