Dalux Box Pro Pricing for G-Cloud 15

To support your team's success, you will have full access to our Customer Success Management team, ready to assist with any questions or issues that may arise. Furthermore, a Dedicated Account Manager will be assigned to you, providing personalised guidance and ensuring smooth operation throughout the duration of your contract.

Implantation, training and technical support are provided at **zero cost**.

Dalux subscriptions are designed to offer substantial value, including:

- Unlimited users.
- Unlimited storage.
- Free implementation, training and technical support.
- Free dedicated account management.

Pricing for all Dalux FM modules is based on total number of gross square meters (m2) of the building where the Dalux FM modules will be used. Dalux FM is a complete building management platform with three modules:

- BIM & Documentation.
- Operations & Maintenance.
- HelpDesk.

As our pricing is based on the total number of gross square meters (m2), we cannot provide pricing for every scenario in this document. Further pricing available upon request.

Total Building Volume (m2)	Monthly Subscription Fee		
	BIM & Documentation.	Operations & Maintenance.	HelpDesk
< 2,500	£180	£325	£180
