About Kick

Kick ICT Group are one of the UK's leading independent ICT services businesses, with a talented and highly skilled team that provide outstanding service and value to our clients. Our four divisions, Technical, Dynamics, Infor and Communications allow us to deliver tailored expertise to each client.

Founded in 2015, we've grown rapidly with **nine** acquisitions, combining over **40 years** of expertise and service from respected industry players Castle and Talon.

We pride ourselves on our commitment to providing outstanding IT solutions, services and support. Yet we believe that it's how we work with people that is most important to us.

You can trust in our expertise. *We're here to help.*

Introduction

The Microsoft Dynamics 365 suite of applications cover a wide variety of business areas and requirements. This document supplies a guide to the pricing for each of the solutions.

Application Name	Price starting from
Customer Engagement (CRM)	The cost of Microsoft Dynamics CRM can vary depending on the specific requirements and the chosen deployment method. Pricing is influenced by factors such as the selected Dynamics 365 Customer Engagement plan and the level of customisation needed.

On-boarding Services will vary depending on solution selected and configuration requirements.

On-boarding incorporates scoping/configuration/project management/Training/Testing/Integrations/Consultancy services

All prices exclude VAT at the prevailing rate.

Important Note

This document is not an offer and cannot be accepted. Should you wish to obtain our services, please contact us the Kick Sales team to discuss your requirements and how we may meet them. Following these discussions and our internal acceptance procedures, we would then enter into a direct order with you in accordance with these Framework terms to confirm our appointment.

The information contained in this document has been compiled by Kick ICT and includes material which may have been obtained from information provided by various sources and discussions with management but has not been verified or audited.

This document also contains confidential material proprietary to Kick ICT. Except in the general context of evaluating our capabilities, no reliance may be placed for any purposes whatsoever on the contents of this document or on its completeness. No representation or warranty, express or implied, is given and no responsibility or liability is or will be accepted by or on behalf of Kick ICT or by any of its partners, members, employees, agents or any other person as to the accuracy, completeness or correctness of the information contained in this document or any other oral information made available and any such liability is expressly disclaimed.

Expertise

We are experts. From solution design to support, we deploy over 300 years of combined experience from our 30+ strong team of Dynamics experts.

Solutions

We work with the best. With bespoke Kick applications to meet specific business and industry demands and access to a series of partner products to enhance your Business Central and Dynamics set-up, we ensure your organisation benefits from Microsoft's immense capabilities.

Innovation

We provide next-generation services. Implementing the full Dynamics 365 ecosystem, bolstered by leading cloud-based and automation powered add-ons to transform your business' capabilities.

Accreditations

We have the badges. With multiple accreditations including Microsoft Solutions Partner and InsightSoftware Elite partner status, we continually invest in the product education of our team to ensure our customers remain at the forefront of the Dynamics and Power Platform revolution.

Strategy

We are here to help. Covering upgrades, migrations and a range of specific operational demands, our consultants and developers work collaboratively with customers to meet their Dynamics requirements today and to map their future.
