Communications Division

About Kick

Kick ICT Group are one of the UK's leading independent ICT services businesses, with a talented and highly skilled team that provide outstanding service and value to our clients. Our four divisions, Technical, Dynamics, Infor and Communications allow us to deliver tailored expertise to each client.

Founded in 2015, we've grown rapidly with **nine** acquisitions, combining over **40 years** of expertise and service from respected industry players Castle and Talon.

We pride ourselves on our commitment to providing outstanding IT solutions, services and support. Yet we believe that it's how we work with people that is most important to us.

You can trust in our expertise. *We're here to help.*

Pricing Model

Fee Structure:

Flexible pricing options are available, including flat-rate monthly fees, pay-per-user models, and customised solutions based on specific client needs and system complexity.

Volume Discounts:

Significant discounts are offered for large-scale deployments and for long-term contracts, providing cost-effective solutions for growing businesses.

Additional Costs:

Details on additional costs such as for non-standard customisations, advanced technical support, and optional features are clearly outlined to ensure transparency.

Business Telephone Systems Pricing

Prices vary between £4.50 and £15.50 per user depending on the platform, inclusive of Physical Deskphone, Softphone & Mobile App.

All prices exclude VAT at the prevailing rate

Important Notice

This document is not an offer and cannot be accepted. Should you wish to obtain our services, please contact us the Kick Sales team to discuss your requirements and how we may meet them. Following these discussions and our internal acceptance procedures, we would then enter into a direct order with you in accordance with these Framework terms to confirm our appointment. The information contained in this document has been compiled by Kick ICT and includes material which may have been obtained from information provided by various sources and discussions with management but has not been verified or audited. This document also contains confidential material proprietary to Kick ICT. Except in the general context of evaluating our capabilities, no reliance may be placed for any purposes whatsoever on the contents of this document or on its completeness. No representation or warranty, express or implied, is given and no responsibility or liability is or will be accepted by or on behalf of Kick ICT or by any of its partners, members, employees, agents or any other person as to the accuracy, completeness or correctness of the information contained in this document or any other oral information made available and any such liability is expressly disclaimed.

Why Kick for Communications?

>100 years

Combined experience

100s

Unified Communications projects delivered

24/7

Support

Expertise

We are experts. With over 100 years of combined experience across our team.

Solutions

We work with the best. Partnered with leading telecom industry names including Avaya, NEC and Gamma to ensure our customers access the right solutions at the right price.

Innovation

We provide next-generation services. Harnessing Microsoft Teams Phone and Gamma to provide leading cloud-ready telephony solutions to offer anywhere, any device connectivity.

Accreditations

We have the badges. We're accredited partners of Gamma, Horizon, UC Solution, and 3CX - ensuring our customers benefit from trusted, industry-recognised communications expertise.

Strategy

We are here to help. With an appointed account manager and highly-skilled engineers who will work with you to seamlessly align your communications, connectivity and cloud requirements.
