

COST & BENEFITS

“You seldom improve quality by cutting costs, but you can often cut costs by improving quality”

At ZR Consultants (ZRC) we have a flexible approach to costs and can provide support on either a fixed or ad T&M basis.

Social Responsibility

As part of our offering to our clients, ZRC annually dedicates over 10% of its profits to charitable projects as well as running and supporting various projects such as the Period Poverty Project in Africa. Other initiatives include support on providing Housing, Orphan/Widow Support, Education, Water projects and income generating projects
