TraxQM - Risk based Quality Management System Pricing Document

TraxQM is a risk based SaaS Cloud Quality Management system that meets regulatory requirements to comply with GMDP and ISO standards.

A subscription-based service, all pricing is based on a SaaS Cloud hosted model offering scalability, resilience, security, performance, availability, interoperability, usability, maintainability, observability, and cost efficiency.

Training, support and validation documents are included in the subscription costs. The application is inclusive of thirty (30) DocuSign Signatures (CFR 21 part 11).

Onboarding

One Off Onboarding fee - £750 per day

Annual Platform Fee

Up to 10 users	£3,000
Up to 50 users	£4,200
Up to 500 users	£7,200
Over 500 users	£9,000

Annual Usage Fee

User Band	Power User	Standard User
Up to 500 users	£180	£96
Up to 1000 users	£165	£85
1000+	£155	£82

Additional Subscription Costs

Usage exceeding the monthly DocuSign envelope allocation will be billed at £2.50 per additional envelope.

Custom Development

Custom development can be provided as required.

- Half Day (4 hours): £500 – Billed as a fixed block. Unused hours don't roll over.
- Full Day (8 hours): £800 – Includes up to 8 cumulative hours of effort.

Payment Terms

All prices exclude VAT.

All invoices are to be paid within 30 days of the invoice value.

Other

- Enterprise style deals & time limited discounts may be available.
- The maximum duration of any call-off contract is 48 months and with an extension of 24 months
- Individual Prices may increase during the contract as per CCS guidelines at call-off level, where reviews have been agreed by both parties prior to the contract award.
- Service may be terminated with 30 days' notice as per framework guidelines.

Account Management

The subscription covers a dedicated qualified account manager with 9-5 Monday to Friday access.

Free Trial Service

A trial is available but does exclude integrated DocuSign and Training module.
