

Pricing Document

This pricing document provides a high-level outline of the services offered by Agile Professional Group Ltd through the G-Cloud framework.

CLOUD INFRASTRUCTURE SERVICES

Our team of experts manage large scale on premise to cloud systems for organisations all over the world, with a strong background in monitoring, scaling, efficiency, and performance optimisation.

Pricing for these services is based on infrastructure requirements, scale, performance levels, backup policy and support level.

PROJECT PROFESSIONAL SERVICES

Agile Professional Group provides fixed cost projects, with clear deliverables and cost expectations, which include dedicated resources with skilled and experienced members of our team.

CLOUD APPLICATION DEVELOPMENT SERVICES

The Agile Professional Group team offers a vast range of services which cater for bespoke application development projects.

We cost these projects using the Skills Framework for the Information Age rate card as per table below.
