Red Teaming	£2,000	per Day	
Purple Team Testing	£1,450	per Day	
API Penetration Testing	£950	per Day	
WiFi Penetration Testing	£950	per Day	
Cloud Infrastructure Security Assessment	£950	per Day	
Vulnerability Scanning	£495	per Month	

Pricing Document – Cyber Audit

Service	Price	Frequency	Additional Information
Cyber Audit (Micro)	£4,995	per Project	Includes 3 days penetration testing
Cyber Audit (Small)	£6,995	per Project	Includes 3 days penetration testing
Cyber Audit (Medium)	£9,995	per Project	Includes 3 days penetration testing
Cyber Audit (Large)	£12,995	per Project	Includes 3 days penetration testing

Pricing Document – Defensive Security

Service	Price	Frequency	Additional Information
Managed Extended Detection Response (MXDR)	£9.95	per Endpoint	Minimum 100 Endpoints
SOC as a Service	£9.95	per Endpoint	Minimum 100 Endpoints
Incident Response Retainer	£1,895	per Month	
Bespoke Phishing Simulation	£495	per Project	
Cyber Awareness Training	£1,495	per Project	
Threat Exposure Management	£250	per 5 Identifiers	

Pricing Document – Cyber Essentials

Service	Price	Frequency	Additional Information
Cyber Essentials (Micro)	£395	per Project	Includes final certificate
Cyber Essentials (Small)	£495	per Project	Includes final certificate
Cyber Essentials (Medium)	£595	per Project	Includes final certificate
Cyber Essentials (Large)	£700	per Project	Includes final certificate
Cyber Essentials Plus (Micro)	£1,295	per Project	Includes final certificate
Cyber Essentials Plus (Small)	£1,495	per Project	Includes final certificate
Cyber Essentials Plus (Medium)	£1,695	per Project	Includes final certificate
Cyber Essentials Plus (Large)	£1,995	per Project	Includes final certificate
Cyber Essentials as a Service	£595	per Month	Includes final certificate

Pricing Document – IASME

Service	Price	Frequency	Additional Information
IASME Cyber Assurance – Level 1 (Micro)	£395	per Project	Includes final certificate
IASME Cyber Assurance – Level 1 (Small)	£495	per Project	Includes final certificate
IASME Cyber Assurance – Level 1 (Medium)	£595	per Project	Includes final certificate
IASME Cyber Assurance – Level 1 (Large)	£700	per Project	Includes final certificate
IASME Cyber Assurance – Level 2 (Micro)	£1,295	per Project	Includes final certificate
IASME Cyber Assurance – Level 2 (Small)	£1,495	per Project	Includes final certificate
IASME Cyber Assurance – Level 2 (Medium)	£1,695	per Project	Includes final certificate
IASME Cyber Assurance – Level 2 (Large)	£1,995	per Project	Includes final certificate

Pricing Document – Governance

Service	Price	Frequency	Additional Information
Incident Response Simulation / Cyber Incident Exercise	£6,995	per Project	
Incident Response as a Service (Host)	£49	per Month	
Incident Response as a Service (Govern)	£179	per Month	
Incident Response as a Service (Prepare)	£695	per Month	
Incident Response as a Service (Respond)	£2,495	per Month	
ISO 27001 Consultancy and Support	£795	per Day	
Governance Consultancy	£795	per Day	
ISO 22301 Consultancy and Support	£795	per Day	
Supply Chain Consultancy and Review	£795	Per Day
