G Cloud 15 Pricing Information

Our services are priced by a common set of rates tables, based on the 'Skills for the Information Age (SFIA)' Definitions &. Rate Card, as shown below. Our charges are based on the size, scope and complexity of delivery that is required by our clients, delivered on a consulting basis

- Charges will be defined during an initial scoping exercise with the customers
- We can engage on a time and material basis, or on a fixed fee basis
- We do not offer volume-based discounts on our rate card
- We do offer 10% discount on spend over GBP 200,000
- There are no combination discounts available
- We offer no special pricing for education
- There are no pricing differences between the different industry sectors
- All rates exclude VAT

Service	Location	Maximum Rate (Ex VAT)
Microsoft Power Platform Development & Consultancy	South Africa	440
Microsoft Power Platform Development & Consultancy	United Kingdom	1000

All rates shown are per person per day in GBP.
Further details can be provided on request.
