

G Cloud 15 Pricing Document: WorkWave Route Manager

Leadent Digital is the UK reseller for WorkWave Route Manager.

The pricing structure for Route Manager depends on two variables:

- Route Manager capability required (3 packages available)
- Number of licences taken
- Contract duration (monthly / quarterly / annual)

Prices range from £19 - £65 per vehicle per month. This includes the software subscription, product updates, onboarding, hosting, support and maintenance.
