- Choice of service will require input from customer and is dependent on scope and size of service area.
- We would recommend undertaking a rapid prototype prior to wider engagement to validate baseline assumptions of need.
- Costs are based on assumption of working with one clinical system.
- The pricing assumes that the customer will provide at least 0.5WTE to work with the team and provide access to wider stakeholders in good timeliness.

Pricing Assumptions & Notes

- All prices are £ GBP and exclude VAT.
- Rates represent maximum day rates for G Cloud 15 and may be reduced at Call-Off.
- Unit is per consultant day (up to 8 hours).
- Travel and subsistence are excluded and chargeable at cost where permitted by Call-Off.
- Work can be delivered on-site or off-site, subject to Call-Off requirements.
- Pricing valid for the duration of the framework unless superseded by an updated rate card on the portal.
