1. Price

This service is offered as a fixed-price package:

Package	Term	Fixed price (ex VAT)	Unit of sale
AI Readiness Assessment	Up to 2 weeks	£30,000	Per Buyer organisation

2. What is included

- Up to 2 weeks of remote delivery (timeboxed).
- Up to 8 stakeholder interviews (up to 60 minutes each).
- 1 kick-off session and 1 playback session (remote).
- Review of existing documentation supplied by the Buyer (no deep rebuild).
- 1 AI Readiness Findings Report, plus a readiness scorecard and prioritised action plan.

3. What is not included

- Implementation or delivery of recommended changes (including software development, integration build, automation build, or managed operations).
- Extensive data profiling or processing of large datasets.
- On-site delivery, travel, or subsistence.
- Work beyond the timebox or allowances described in Section 2.

4. Assumptions and limitations

- The Buyer provides timely access to stakeholders and relevant documentation to support delivery within the 2-week timebox.
- The assessment is evidence-based and relies on information provided by the Buyer; results may change if assumptions change.
- If additional scope is required, the Buyer and Supplier will agree a change using the G-Cloud call-off change process.

5. Invoicing and payment

The fixed price will be invoiced in two stages unless otherwise agreed at call-off:

- 50% on commencement (on the agreed start date).
- 50% on delivery of the final findings report and completion of the playback session.

VAT will be charged at the prevailing rate where applicable.

6. Pricing validity

This pricing applies to the G-Cloud 15 listing for AI Readiness Assessment (Lot 3: Cloud Support).
