XWAVE INSIGHT STANDARD PRICING GUIDE

Please note that this is our standard xWave Insight pricing guide. Variations and networks can be facilitated according to customer requirements and the agreed specification of the services. We adhere to the conditions of the G-Cloud 15 Framework and Call-Off Contract. All prices listed are exclusive of VAT and additional costs for integrations may apply.

Description	Annual Cost of xWave Insight Per Site (including xWave CDS and iRefer licence)
xWave Insight: Audit	£0.30 per referral
xWave Insight: Licence	£10,000 per annum

Notes:

Additional third-party charges may apply such as RIS/PACS interoperability licences

xWave Insight can be used across radiology, pathology, endoscopy and physiological sciences

Discounts may apply depending on volumes and length of contract – discounts will be published to G-Cloud 15

Prices are exclusive of VAT and relevant taxes
