COLIBERTY G-CLOUD PRICING

The CoLiberty Product is available in two annual pricing options. Both options provide access for all users involved in the authorisation process, including administration, case management, assessment, consultation and authorisation. This covers admin teams, assessors, clinicians, RPRs, managing authority staff, consulted with people, duty signatories, cared for individuals, and their families, friends and carers.

A – Pay for what you use

Onboarding (paid in Y1 only)	+	Annual License	+	Price per Request for Authorisation
