Expleo offers a wide portfolio of Change Management services which can be tailored *depending* upon your specific needs. This can range from full, turnkey portfolio delivery to the provision of specified expert resources

# Programme & Project Management

The Expleo Programme and Project Management service offers a full range Services backed by best practice frameworks to enable the implementation of Programmes and Projects across all verticals with a focus on benefits realisation and quality in delivery

## PPM Services include:

- **Programme & Project Delivery** –inception to closure
- **Programme & Project Recovery** – recovery of programmes and projects that have missed or are at risk to miss objectives
- **Change Management** – delivering change to business users in an efficient manner that caters for all stakeholders

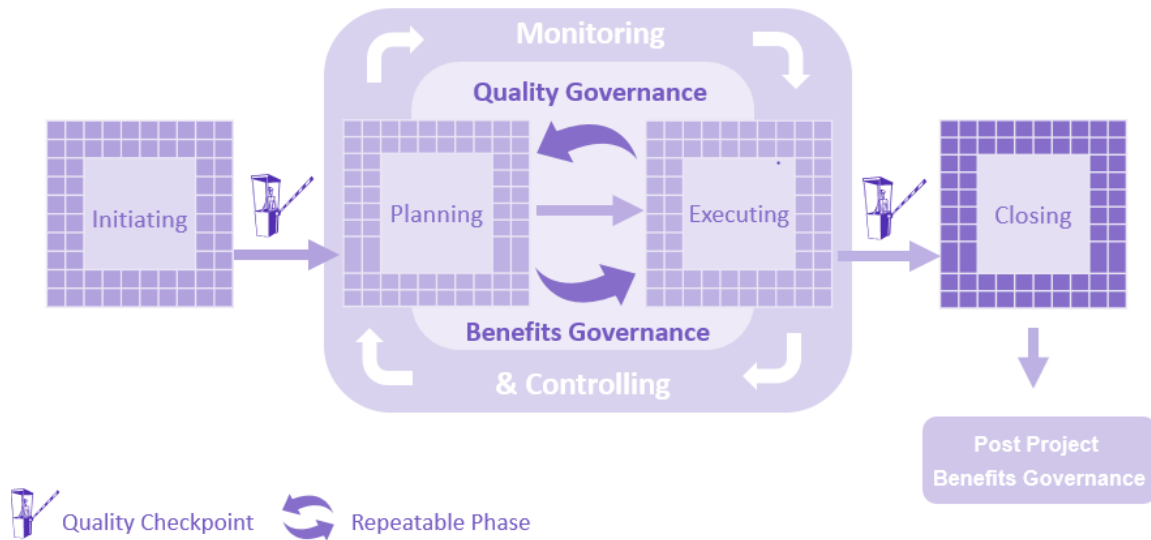

Our PPM service is built around Expleo's PPM Centres of Excellence. These core PPM soft skills, capabilities and values applied to all the work we do with our clients.

# Programme & Project Delivery

**Expleo's Programme and Project teams collaborate closely with clients to agree on the most appropriate delivery methodology, focusing on project requirements, benefits realisation, and quality outcomes.**

Expleo PPM Framework

Expleo PPM Approach

Our teams can work with existing client collateral or leverage Expleo's knowledge base, which includes both Agile and Waterfall approaches, to ensure the selected methodology best fits the project's objectives and context.

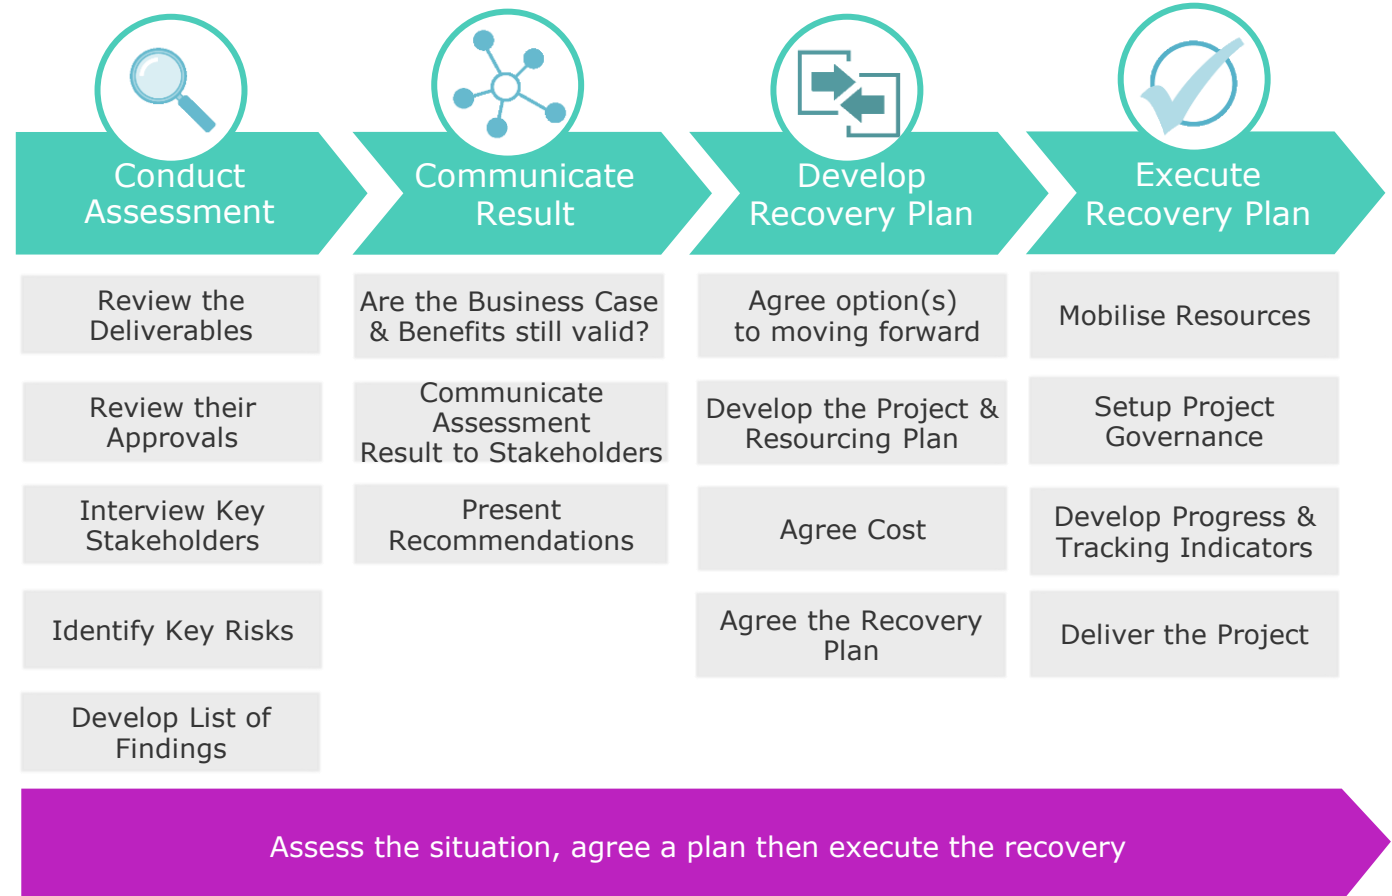

# Programme & Project Recovery

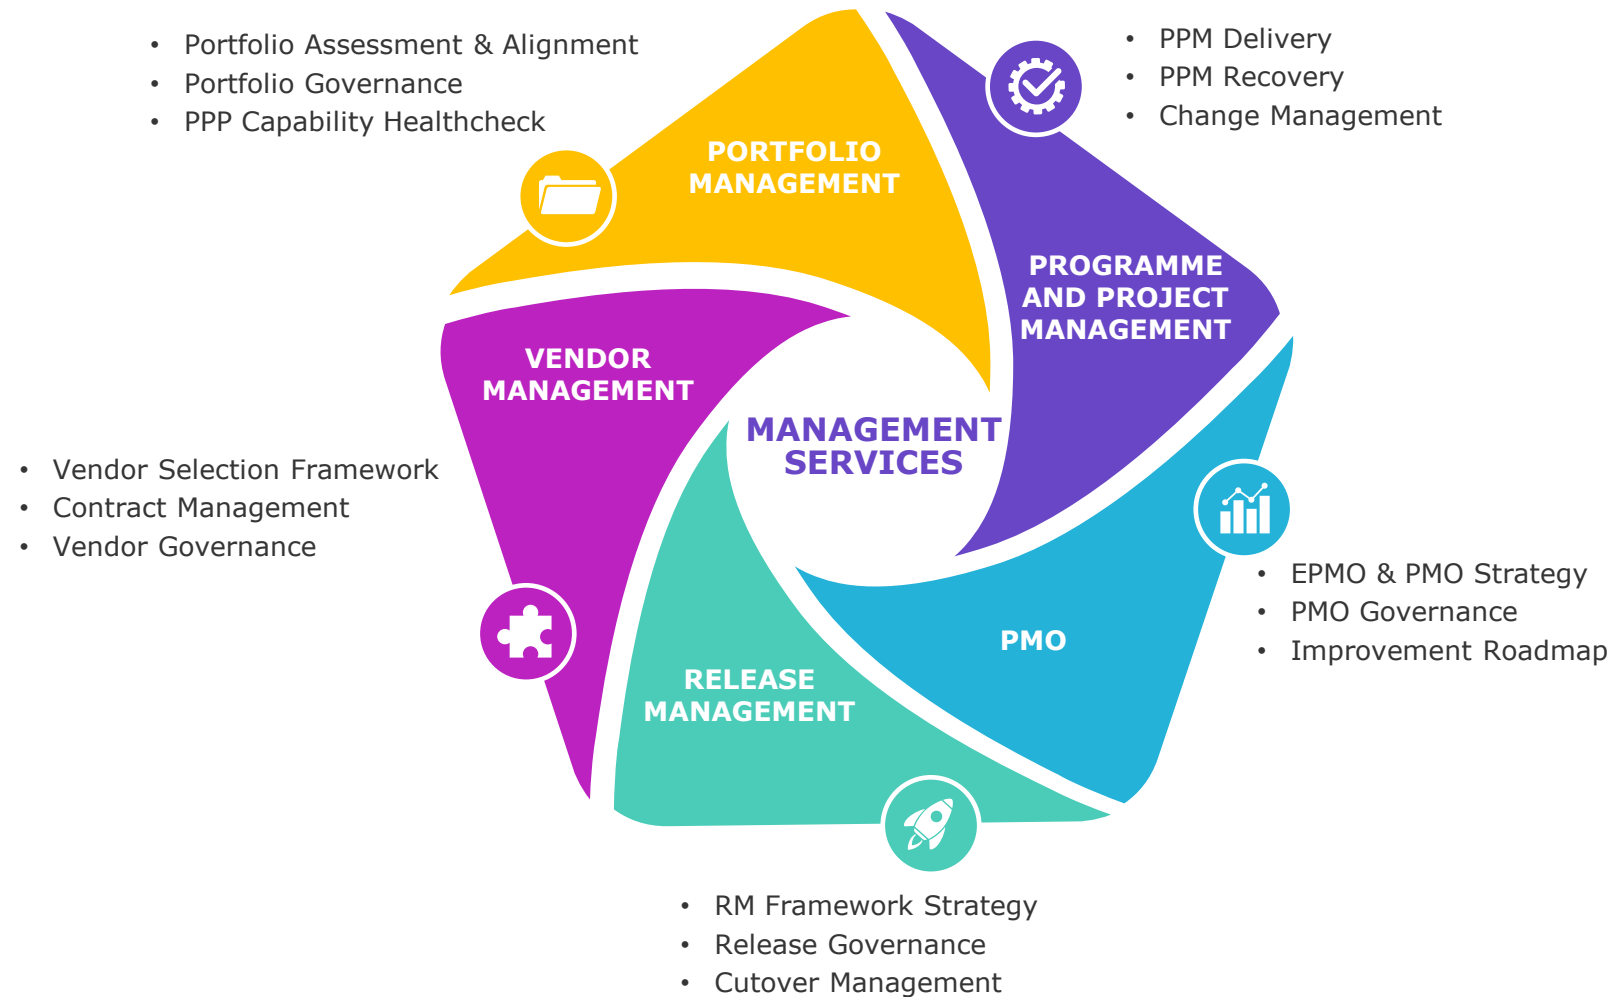

( expleo )

Takes an independent, objective view of current delivery status versus original business objectives and expectations

Validates the Business Case assessing if it remains viable. Identifying risks and opportunities to get the Programme or Project back on track

A Recovery Plan is then agreed with the client including a governance plan to monitor progress
