EXPLEO CHANGE MANAGEMENT SERVICES

Expleo Change Management works in partnership with our clients to drive transformation across people, processes and behaviours. We tailor solutions to fit each client's unique culture and environment ensuring long-term adoption and real business impact.

Empowering Change, Enabling Tomorrow

Expleo is your trusted partner in change providing services, solutions, and driving business strategy. Together we will empower your organisation to unlock meaningful change with lasting impact.

Expleo Change Management Framework

1. Change Management Advisory

- Change maturity assessment
- Business case development
- Development of a 'Case for Change' document
- Change recommendations report

2. Change Leadership

- High-level change leadership support – SLT and Change Sponsor
- Change strategy and plans leading to benefits realisation
- Stakeholder mappings, communications and training plans
- Change resource and project planning

3. Change Implementation

- Mobilisation of an experienced change team
- Delivery service of end-to-end change needs
- Comprehensive handover, knowledge sharing and upskilling of client teams
- The delivery of required change, ROI and benefits

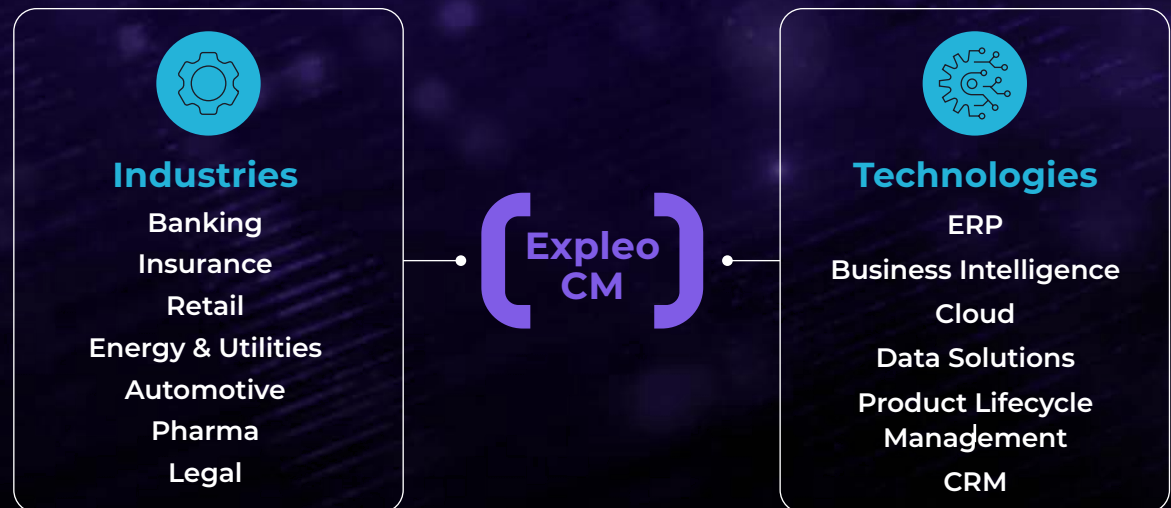

High-performing change teams are the key to successful transformation. At Expleo we combine best practices, cutting-edge tools and the highest calibre resources to empower our clients and drive impactful, sustainable change.
