HIRING AUTOMATION

Hiring Automation

MeVitae's delivers ethical, end-to-end hiring automation that integrates seamlessly with 20+ HR systems or used as a standalone to unify and optimise the entire talent acquisition lifecycle. Automated Talent screening, Anonymised Recruiting, Video Interviewing, and Interview Scheduling to streamline manual tasks, speed up decision-making, and ensure fair, consistent evaluation. The hiring automation bundle offers a 10% discount instead of purchasing the individual products separately.

IMPLEMENTATION:

- Integration of MeVitae within your ATS or standalone solution
- Configurable to your hiring process
- Full onboarding and training of the solution

£10,000/month*

*Average of 3 months depending on ATS

SUPPORT:

- Dedicated support email to connect you to the Customer Success team.
- Support tracking to ensure that our SLA's are met.
- Customisation support if a change in redaction/additional redaction parameters are added.
- Additional training session a year for your recruiters and hiring managers.
