2 Pricing overview

Pricing for **Veeam Backup as a Service** is based on the **Veeam Cloud Service Provider (VCSP) Rental Licensing model**, which uses a **points-based, pay-as-you-grow structure**.

The service is charged monthly, in arrears, based on actual consumption of protected workloads and services. Points consumed are reported monthly and billed using a pre-agreed price per point.

2.1 Pricing model

Under the VCSP Rental model:

- Veeam products and features consume a defined number of **points per unit**
- Units include virtual machines, servers, workstations, file shares, object storage, and SaaS users
- Monthly charges are calculated as:
Total points consumed × agreed price per point

Points vary by product edition and workload type, as defined by Veeam.

2.2 Pricing units

The service may be priced using one or more of the following consumption units:

Unit	Description
Per protected VM	Virtual machines protected by Veeam
Per protected server	Physical or cloud servers
Per workstation	End-user or endpoint backups
Per 500 GB storage unit	NAS, file share, or object storage
Per user	SaaS backup (for example Microsoft 365)
Per workload	Monitoring or orchestration services

2.3 Indicative pricing structure

Indicative customer pricing is derived from VCSP point consumption and typically presented as:

Service element	Pricing basis
Backup as a Service	Per workload or per user, per month
Backup storage	Per TB, per month
SaaS backup	Per protected user, per month
Optional restore assistance	Time and materials

Actual prices depend on workload type, edition, retention policy, and monthly consumption.

2.4 What's included in the price

The service price includes:

- Veeam Backup as a Service software subscription
- Use of Veeam Backup & Replication and related VCSP-licensed components
- VCSP usage reporting and licence management
- Standard Veeam product support for VCSP partners

2.5 What's not included in the price

The service price excludes:

- Underlying infrastructure or cloud platform costs
- Backup storage beyond agreed allowances
- One-off migrations or large-scale restores
- Bespoke consultancy or disaster recovery testing
- Third-party software or services

Optional professional or managed services may be purchased separately.

2.6 Billing and contract terms

- Billing is monthly, based on reported VCSP consumption
- Charges are calculated in arrears
- Pricing is exclusive of VAT
- Minimum commitments may apply where Volume Rental Agreements are used

2.7 Price changes

Pricing may change if protected workloads, retention policies, or service editions change. Any changes are agreed in advance and confirmed through the Order Form or Customer Quotation.

2.8 Service credits and refunds

This service does not include software availability service credits. Availability and resilience commitments, where applicable, are provided by the underlying infrastructure or platform provider.

3 Rate Card

This Rate Card is solely for the purposes of pricing services and engagements under Crown Commercial Service Framework reference RM1557.15 published as G-Cloud 15
