Quality Assurance and Automation Services

Our Philosophy

- ✓ Focus on Customer requirements
- ✓ Implement the most effective strategies with experienced resources
- ✓ Use the appropriate automation tools to ensure effectiveness across the entire set of processes
- ✓ Adhere to timelines and budget
- ✓ Ensure optimization mechanisms are applied to offer wide range of cost-effective solutions
- ✓ Apply loopback mechanisms for continuous process improvement

Certified Team

✓ All Test resources are ISTQB Certified

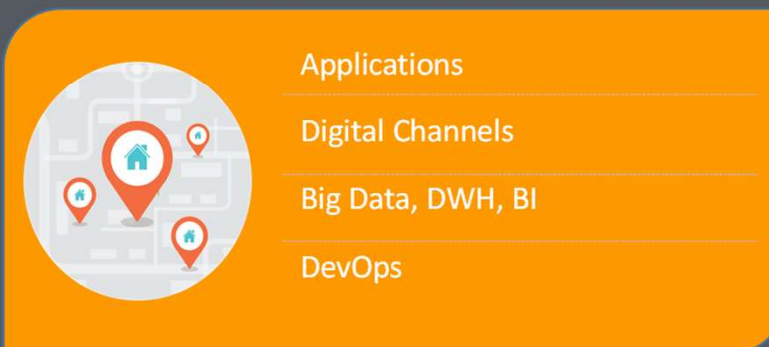

- ❖ Foundation
- ❖ Advanced Test Analyst
- ❖ Advanced Test Automation
- ❖ Advanced Test Manager

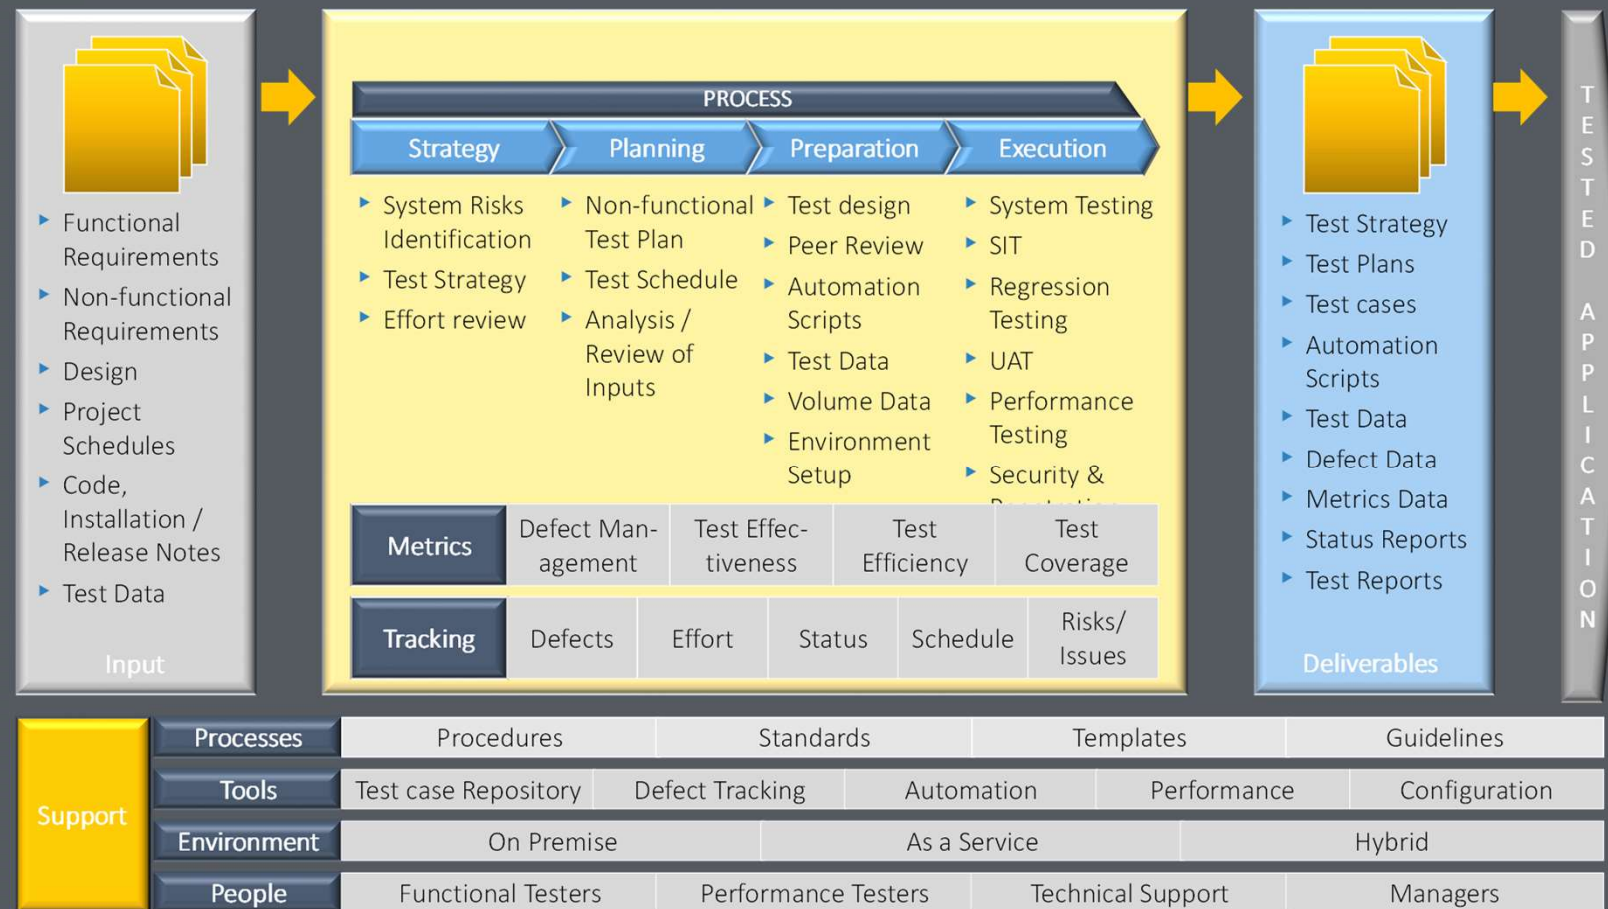

✓ All RPA resources are UiPath Certified

Quality Assurance as a Service

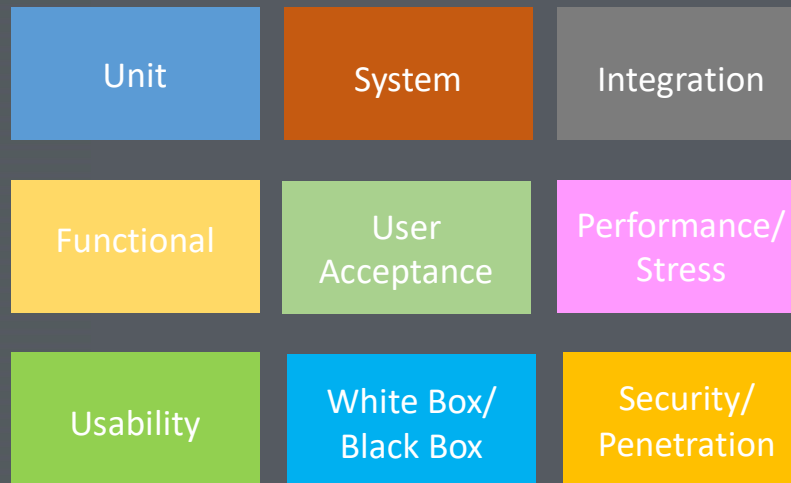

Quality Assurance Areas

Full-Cycle Testing Services

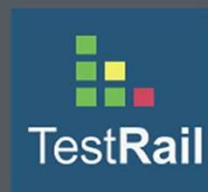

- ✓ Experience in all types of testing and at all stages of S/W Development

Test Management Tools

Experience on both Licensed and Open-Source tools for
Bug Reporting & Test Case Management

Test Case Management

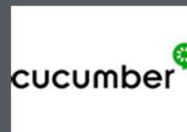

Defect Management

Test Automation

Strong focus on Test Automation

- ✓ Increased productivity – focus on more important areas
- ✓ Improved consistency
- ✓ Offers administration benefits (e.g. night runs, remote execution)
- ✓ Can be used to cover all levels of test activities: component, integration and system-type of tests
- ✓ Can be applied to cover all types of test scenarios: API testing, GUI testing, file transfer scenarios, platform verification, system integration, etc.
- ✓ Experienced on most trendy automation tools

Performance Testing

Experts on Performance Testing

- ✓ Performance Test Strategy covers all types of Performance Tests (e.g. Load, Stress, Endurance, etc.)
- ✓ Applications are tested against robustness, memory leaks, high traffic conditions
- ✓ Results are analyzed by experts to suggest improvements and fine-tune the configuration settings
- ✓ Experienced on state-of-the-art performance tools

Robotic Process Automation (RPA)

RPA Expertise

- ✓ RPA Solutions applied on multiple sectors (Banking, IT, HR, etc.)
- ✓ Experience on all stages of the RPA journey, from concept to deployment
- ✓ UiPath Partnership

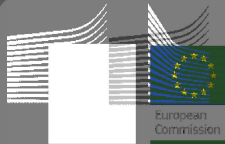

Customer Portfolio

Indicative List of EU Customers where we provide QA and Automation Services
