

Pricing

San Digital Cloud Professional Services

Pricing

All prices are in GBP and exclude VAT. Cloud support services are provided on a fixed-price or time-and-materials basis as agreed in the Call-Off Contract.

What's included

- Professional services delivered by qualified and experienced cloud specialists
- Access to cloud expertise across architecture, engineering, DevOps and data/AI
- Fixed-price options available for defined scopes of work
- Standard support during UK business hours
- Knowledge transfer and documentation
- Security clearance available up to SC level where required

Optional extras

- Enhanced support with agreed response times and extended hours
- Out-of-hours or weekend support delivery
- Additional travel and expenses for onsite work
- Specialist tools or third-party services required for delivery

Billing notes

Day rates are for standard UK business hours (Monday to Friday, 9am to 5pm UK time). Extended hours, weekend or out-of-hours work may incur additional charges. Travel and accommodation expenses for onsite work are charged separately. Fixed-price engagements are available for defined scopes of work and will be agreed in the statement of work. Discounts for educational organisations are available on request. Minimum engagement terms and payment schedules are agreed in the Call-Off Contract.
