2. Service Overview

Service Name: Check & Decide (Decision Engine)

Service ID: CS-CDE-003

Business Service Name: Automated Decisioning Services

IT Service Name(s): Check & Decide Platform, Workflow Decision Engine

Description: Check & Decide is Creditsafe's decision automation solution designed to streamline credit and compliance checks. It automates and orchestrates credit risk analysis and decision-making, enabling businesses to apply their credit policies consistently and instantly. The platform supports bespoke workflows, integrates with third-party systems, and leverages Creditsafe's global data to deliver faster onboarding, reduced risk, and improved operational efficiency.

3. Pricing

List price £20,000 (Discounted by 50%: £10,000 for G Cloud Customers)

Included:

- Automated credit and compliance decisioning
- Bespoke workflow configuration using a decision engine
- Integration with Creditsafe data and client systems
- No-code templates for rapid deployment
- Support for KYC, AML, and CCDS checks
- Includes 5,000 UK company credit reports checks.
