

Digital Carer Support - Essentials

GCloud Pricing | January 2026

The service is priced at £20,000 per annum.

Pricing notes

- Minimum contract duration is 12 months.
- All prices quoted subject to VAT at applicable rates.
- Population is 'Total Population' and based on last census data and fixed for term of contract.
- Our standard service, outlined above, is ready to be implemented. If additional project work is agreed, related to the introduction of a digital engagement strategy for carers, then this consulting support would be charged at a £750 daily rate.
