

Tahdah Digital Badges – G-Cloud 15 Pricing

Supplier: Tahdah Verified Ltd

Framework: G-Cloud 15 (RM1557.I5)

This document sets out the pricing for Tahdah Digital Badges when purchased via the G-Cloud 15 framework. Pricing is subscription-based, transparent, and non-negotiable, enabling buyers to self-select the appropriate configuration.

1. Pricing Overview

Tahdah Platform is provided as a cloud-based SaaS solution. Pricing is based on an annual subscription and user bands selected by the buyer. All prices are fixed for the contract term.

2. Digital Badging Price List

	Individual Badge £/month Credits Bought Annually in advance	Individual Seat £/month Credits Bought Annually in advance Unlimited Badges per seat
Badges/ Seats	Cost Per Month	Cost Per Month
250	£69	N/A
1,000	£129	£139
2,500	£249	£259
5,000	£399	£409
7,500	£499	£549
10,000	£599	£649
10,001+	POA	POA

POA applies only where usage exceeds published tiers and will be calculated using the same unit pricing logic.

8. Support and Service Levels

Standard support and service levels are included within the subscription price. No additional mandatory support charges apply.

9. What's Included

- Secure hosting in AWS UK/EU regions
- Platform updates and enhancements
- Data backup and recovery
- Audit logging
- Standard support

10. What's Not Included

- Bespoke software development
- Digital Badfge Designs
- Buyer-specific integrations not listed
- Third-party licence costs
- On-site training

11. Contractual Notes

All prices are exclusive of VAT. Pricing applies only to contracts placed via the G-Cloud 15 framework. Charges are annual unless otherwise stated.
