Pricing Mechanisms

As part of our ongoing approach to help clients find the best value for money in the services they procure, DNJ Consultancy is happy to develop a novel pricing mechanism and approach as per the requirements of our client. These include:

- Fixed priced contracts
- Service fee-based contracts
- Time and materials
- Joint Risk Liability

The pricing approach to be used will be agreed in advance as part of our initial engagement and formalised in the contract.

Pricing Assumptions

The following Pricing assumptions have been made:

- Consultant's Working Day – 7.5 hours exclusive of travel and lunch
- Working Week – Monday to Friday excluding bank/national/local holidays
- Office Hours – 09:00 to 17:30 Monday to Friday
- Where client operational parameters require us to work a different working pattern, additional time will be charged at a pro rata hourly rate
- Travel, mileage Subsistence is included in the daily rate within main land areas, additional charges may apply
- Mileage – As for travel, mileage subsistence
- Professional Indemnity Insurance – included in day rate
- VAT – is not included

An example of our is as under, please note this should only be used as a guide, DNJ will always endeavour to lower the rate to the minimum possible in line with current market rates and available budget. **Our full prices, in detail, are given in the Pricing section of G Cloud 15, as required. These prices comply with those rates given.**
