Etch Call-Off Contract Alignment Statement

V1.0 | January 2025

Call-Off Contract Alignment Statement

1. Governing Contract

This service is provided under the Crown Commercial Service (CCS) G-Cloud 15 Call-Off Contract, which is based on the Public Sector Contract (PSC).

The Call-Off Contract, including:

- the CCS General Terms,
- Framework Schedules,
- Joint Schedules, and
- Call-Off Schedules (as completed in the Order Form),

constitutes the entire agreement between the Buyer and Etch (UK) Ltd for the provision of this service.

2. Precedence

In the event of any conflict or inconsistency, the G-Cloud 15 Call-Off Contract takes precedence over all other documents.

Call-Off Contract Alignment Statement

3. Exclusion of Supplier Standard Terms

Etch (UK) Ltd's standard commercial terms, general terms of sale, or any other supplier terms do not apply to services purchased through the G-Cloud 15 framework.

No additional or alternative terms will be incorporated into a G-Cloud 15 call-off unless expressly agreed by the Buyer in the Order Form in accordance with the framework.

4. Pricing and Payment

Pricing, invoicing, and payment terms are as set out in the G-Cloud 15 framework and the agreed Call-Off Contract.

5. Liability, Termination, and Intellectual Property

Liability, termination rights, and intellectual property provisions apply strictly in accordance with the G-Cloud 15 Call-Off Contract and associated schedules.

Improve citizen engagement with Etch

To discuss your requirements in more detail and place an order, please contact our team. They will guide you through the process and provide any necessary assistance in completing the Order Form (Call-off contract).
