

Fast-Track Your AWS Migration Decision

Go/No-Go Discovery

Rapid AWS Migration Discovery

Not sure if migrating to AWS is the right move?
Cloud Bridge offers a no-obligation, fast-tracked discovery
process to help evaluate whether a migration project is right for your business.

What We Offer

48-72-Hour Rapid Assessment of your IT infrastructure.

A high-level Total Cost of Ownership (TCO) estimate, including:

- Projected like-for-like migration to AWS native services costs.
- Post-migration consumption costs
- Migration project costs
- Available AWS funding opportunities

The insights and data to evaluate the financial, technical and operational considerations for migrating to AWS.

Empower your organisation to make a confident Go/No-Go decision.

Proven Path to Success

If you decide to proceed, Cloud Bridge ensures a seamless transition to the next phases of your migration journey. Our best-practice approach includes:

- Stage 1: Formal migration assessment
- Stage 2: High-level and low-level design, migration wave planning,
- Stage 3: Migration execution
- AWS Landing Zone setup and migration execution

As an AWS Premier Consulting Partner with Migration & Modernisation Competency, we help you maximise AWS funding support and implement long-term cost/
