3.1 The End Customer's AWS Account and its use of AWS are subject to and governed by the Amazon Customer License Terms, a separate agreement between the End Customer and AWS.

3.2 Accordingly, the Reseller shall procure that the End Customer acknowledges and agrees that: (a) End Customer's right to access and use the AWS Account and AWS is granted to the End Customer by its Amazon and not by Reseller or Cloud Bridge, (b) such access and use of End Customer's AWS Account and AWS is governed by Amazon's Customer License Terms between End Customer and Amazon, (c) any warranty provided by Amazon in relation to AWS is given by Amazon and not by Cloud Bridge, and (d) neither Cloud Bridge nor Reseller shall be liable for any performance or failure in the performance of the End Customer's AWS Account and AWS.

3.3 The Reseller shall procure that End Customer acknowledges and agrees End Customer is responsible for all access to and use of its AWS Account and AWS regardless of whether such activities are undertaken by the End Customer, its employees, agents or sub-contractors, and Cloud Bridge is not responsible for any unauthorised access to or use of the same. In particular, the Reseller acknowledges and agrees (and shall procure that the End Customer acknowledges and agrees) that the End Customer is responsible for deploying or terminating the deployment of servers, disks or other storage devices connected to its AWS Account.

3.4 The Reseller shall indemnify Cloud Bridge in full for and against all claims, costs, expenses or liabilities whatsoever and howsoever arising, incurred or suffered by Cloud Bridge including all legal expenses and other professional fees (together with any VAT thereon) arising out of or relating to any breach by Reseller or End Customer of clauses 3.2 and 3.3.

4 Supply of Services

4.1 Subject to the terms of this Agreement, Cloud Bridge shall, during the Term, provide the Services and, in respect of ordered Optimisation Services, make available the Reports to the Reseller and End Customer (as applicable).

4.2 As part of the Services, Cloud Bridge (and its employees, agents and sub-contractors) may perform certain functions associated with the purchase, activation, support and management of the End Customer's AWS Account. Certain functions may be performed through the use of third party processes or tools used by Cloud Bridge. Such third party processes or tools will not have access to Personal Data, but may have access to Meta Data.

4.3 Notwithstanding the foregoing, the Services and the performance of them are as described in the applicable Services Description(s) for the ordered Service(s) or, in the case of Professional Services, as may be described in a statement of work for such Professional Services.

4.4 Any dates specified by the Reseller (or its End Customer, as the case may be) for delivery of the Reports and Services are an estimate

only and time shall not be of the essence for performance. If no delivery dates are specified, delivery will be within a reasonable time.

5 Reseller's responsibilities

5.1 The Reseller shall provide the End Customer Information to Cloud Bridge. The Reseller agrees that Cloud Bridge will rely on this information to provide the Services (including the Reports) and, accordingly, the Reseller shall be responsible for the legality, reliability, integrity, accuracy and quality of all such End Customer Information.

5.2 The Reseller shall market and promote the Services to End Customers at its own cost in accordance with the terms of this Agreement.

5.3 The Reseller shall ensure it does not: (a) conduct its business or any dealing with third parties (including End Customers) in any manner which is likely to have a negative impact on the goodwill or reputation of Cloud Bridge, or (b) do, permit or omit to do anything which in the reasonable opinion of Cloud Bridge is prejudicial to marketing or sales of the Services.

6 End Customer Data

6.1 The Reseller shall ensure that the End Customer understands and agrees that Cloud Bridge is not aware of what data is processed within the End Customer's AWS Account and that any suggestions contained in the Reports regarding activity within the Customer's AWS Account are based solely on its observation of the End Customer's performance Meta Data.

6.2 The Reseller shall ensure that the End Customer acknowledges and agrees that Cloud Bridge may utilise Meta Data to develop and improve the Services, providing that it does not utilise any End Customer Confidential Information and that it does not identify the End Customer as the source.

7 Fees, payment and invoicing

7.1 The Reseller shall pay the Charges for the Services in full in the currency stated in the Work Order within thirty (30) days of the date of invoice. Time for payment is of the essence.

7.2 The Charges are exclusive of VAT and any other duties or taxes payable, and all costs and charges in relation to carriage, insurance or similar which shall be the responsibility of, and payable by, the Reseller in addition to the Charges.

7.3 In the event that any payments due under this Agreement are not paid on the due date the Reseller shall be liable to pay interest (both before and after judgement) at the rate of 4% above the Bank of England's base rate from time to time in force.

7.4 For the avoidance of doubt, the Reseller shall pay the Charges charged by Cloud Bridge for the Services notwithstanding that the Reseller may have a dispute or claim with the End Customer relating to non-payment by the End Customer.

7.5 The Reseller shall pay the Charges for any Commitment Offering purchased by the Reseller irrespective of whether or not the End Customer has used any or all of the Commitment Offering. At the end of the term applicable to the relevant Commitment Offering any unused part of the Commitment Offering shall expire and may not be carried forward to a subsequent term.

7.6 All amounts due under this Agreement from the Reseller to Cloud Bridge shall be paid in full without any set-off, counterclaim, deduction or withholding (other than any deduction or withholding of tax as required by law).

8 Suspension of Services

- 8.1 Without limiting its other rights or remedies under this Agreement, Cloud Bridge shall have the right to suspend the provision of all or any part of the Services if: (a) the Reseller fails to pay any amount due under the Agreement within fourteen (14) days of the due date for payment, (b) the Reseller becomes subject to any of the events listed in clause 15.3, (c) a court or governmental authority issues an order prohibiting Cloud Bridge from providing the Services, or (d) if it has a reasonable suspicion that the End Customer is using the Services in a manner that is unlawful.
- 8.2 The Reseller acknowledges and accepts that, notwithstanding any suspension of the Services by Cloud Bridge pursuant to clause 8.1, Cloud Bridge may continue to incur expenses and/or charges (including charges for the maintenance and usage of End Customer's AWS Account) and any such expenses and charges shall remain and be payable by the Reseller to Cloud Bridge.

19.10 No Partnership. Nothing in this Agreement constitutes, or shall be deemed to constitute, a partnership between the parties, nor make any party the agent of another party.

19.11 Severance. If any provision of this Agreement (or part of any provision) is or becomes illegal, invalid or unenforceable, the legality, validity and enforceability of any other provision of this Agreement shall not be affected.
