

Security Services – Pricing Document

G-Cloud 15: Lot 3 – Cloud Support

1. Overview

This document outlines transparent rates for Security Services delivered by IT Labs under G-Cloud Lot 3: Cloud Support Services.

The pricing shows maximum rates for UK-based and South East Europe (SEE) resources. Rates are per day and exclude VAT. Final costs will depend on the agreed resource mix, seniority, allocation and duration for each Call-Off and will be defined in the buyer's Statement of Work. The team structure below is descriptive.

Buyers will be able to view the complete list of maximum day rates for all roles and seniorities (UK-based and SEE) in our published G-Cloud 15 Lot 3 pricing section on the Digital Marketplace service page.

Service Name	Role	Description	Daily Rate	Daily Rate
			Location UK	Location SEE
Security Strategy	Lead Security Architect	Define cloud security principles, policies, and governance	£976	£488
	Senior Enterprise Architect	Ensure security strategy is integrated with business, data, application and technology architectures, and supports wider transformation roadmaps.	£992	£496
Security Risk Management	Lead Cyber Security Audit and Assurance	Assesses control design and effectiveness, performs gap analysis against policies/standards, and validates remediation outcomes.	£1,248	£624
	Data Governance Manager	Ensures data-related risks (classification, residency, access, retention) are identified, owned, and treated appropriately.	£1,120	£560
Security Design	Lead Security Architect	Secure cloud architecture design including IAM,	£976	£488

		network security, and logging		
	Senior Solution Architect	Integrates security controls into overall solution designs, ensuring they are practical, performant, and cost-effective.	£1,120	£560
Security Incident Management	Lead Cyber Security Incident Response	Leads planning and execution of incident response, including triage, containment, eradication, and lessons learned. Coordinates cross-team incident handling, communication, and status reporting.	£1,120	£560
	Lead Cyber Security Monitoring	Operates or advises on SOC/SIEM processes, tuning alerts, correlating events, and escalating genuine incidents.	£1,008	£504
Security Audit Services	Lead Cyber Security Audit and Assurance	Plans and executes independent security audits, control reviews, and compliance checks across cloud estates.	£1,248	£624
	Lead Cyber Security Penetration Testing	Conducts or coordinates security testing activities (for example, vulnerability assessments, penetration testing, configuration reviews).	£1,120	£560
Security QA & Testing	Lead Cyber Security Penetration Testing	Designs and executes security test scenarios, including application, infrastructure, and API security checks.	£1,120	£560

	Senior Test Engineer	Plans security and QA test phases, implements and runs functional and non-functional test scripts, including regression after security fixes.	£768	£384
Service Management	Service Transition Manager	Manages controlled introduction of new or changed security controls/services into live environments, including handover.	£864	£432
	Senior Delivery Manager	Oversee service delivery, SLA compliance, reporting, and escalation.	£864	£432

1.1 Notes

- The pricing shows maximum rates for UK-based and South East Europe (SEE) resources. Buyers will agree on the rates in the Call-Off Contract.
- Rates remain fixed for the duration of the Framework unless otherwise agreed in the Call-Off Contract.
- Location of the resources is agreed with the buyer.
- Travel and on-site costs, if required, are agreed separately.
