| <b>2 - Assist</b>                  | £520                      | £445                      | £345                           | £445                   | £345              | £520                         |
| <b>3 - Apply</b>                   | £545                      | £545                      | £495                           | £545                   | £545              | £545                         |
| <b>4 - Enable</b>                  | £745                      | £745                      | £745                           | £595                   | £595              | £595                         |
| <b>5 - Ensure or Advise</b>        | £845                      | £845                      | £845                           | £745                   | £695              | £745                         |
| <b>6 - Initiate or Influence</b>   | £945                      | £945                      | £945                           | £945                   | £845              | £945                         |
| <b>7 - Set Strategy or Inspire</b> | £1,195                    | £1,195                    | £1,195                         | £1,045                 | £845              | £1,045                       |

## Sync and Partners

Sync work closely with a number of exclusive partners to help deliver best-in-class solutions to organisations across the UK. We are proud to hold high accreditations across partners, such as being an **Apple Business Partner**, **Education Specialist & Service Provider**, showcasing our level of expertise and commitment to providing on-going support to ensure our customers maximise the use of their digital transformation.

Our great relationships with partners means that we can offer better pricing for your organisation, and ensure we deliver the highest level of customer service and support available.

## Why Sync?

Sync supports organisations across the UK, aiding in the adoption, deployment, and ongoing use of Apple technology. This includes the provision of hardware, software and finance solutions, as well as installations, training, technical support, repairs, and more.

Our approach covers everything from helping organisations to introduce the latest technology into their working practice, integrating with current systems (including Microsoft and Google), guiding CPD and training strategies, and supporting technology services. Meanwhile our work with Apple Financial Services and recycle scheme ensures your organisation is able to keep your technology up to date, and that older devices never go to waste.
