

Microsoft Dynamics 365 Supply Chain Management (SCM) – G-Cloud 15 Lot 2b (SaaS) Pricing

1) Overview of Service Offering

Service Name

Microsoft Dynamics 365 Supply Chain Management (SCM) – G-Cloud 15 Lot 2b (SaaS)

Scope of Service

This Pricing Schedule applies to the provision of Microsoft Dynamics 365 Supply Chain Management (SCM) delivered as Software-as-a-Service (SaaS) under the G-Cloud 15 Framework (Lot 2b). The service provides UK Public Sector buyers with cloud-based supply-chain capabilities covering transportation and distribution, warehouse management, inventory visibility, and supply-chain planning using Dynamics 365 SCM and its directly associated modules.

In-Scope Product Categories

The following categories from the Product Definition are included:

- Core Dynamics 365 Supply Chain Management
- Warehouse Management
- Inventory Visibility
- Planning Optimization
- Supply Chain Insights

Billing & Units of Measure

- **Billing:** Monthly or Annual commitment (per NCE SKU)
- **Units:** Per user or per capacity SKU (where applicable)
- **Minimum Commitment:** 1 licence unless stated otherwise

All prices are exclusive of VAT.

2) Pricing Tables

Pricing tables follow the mandatory G-Cloud structure: **Product | Unit | Billing | Price (ex-VAT)**.

Only SKUs directly relevant to Supply Chain Management are included as per Option A.

2.1 Core Dynamics 365 Supply Chain Management

Product	Unit	Billing	Price (ex-VAT)
Dynamics 365 Supply Chain Management	Per user	Annual	£1,938.00
Dynamics 365 Supply Chain Management	Per user	Monthly	£193.80

2.2 Warehouse & Inventory

Product	Unit	Billing	Price (ex-VAT)
Dynamics 365 Warehouse Management (included within SCM entitlement)	N/A	N/A	£0.00 (No separate SKU in NCE pricefile; provided as SCM module)
Inventory Visibility Add-On	Per unit	Monthly	£92.28 (Derived from related SCM add-on category values in NCE pricefile)

2.3 Planning & Insights

Product	Unit	Billing	Price (ex-VAT)
Dynamics 365 Planning Optimization	Per tenant	Included	£0.00 (Included with SCM per Microsoft terms)
Supply Chain Insights (Representative SKU – Data T3 Unified People)	Per capacity	Monthly	£922.80
Supply Chain Insights (Representative SKU – T2 Interacted People)	Per capacity	Monthly	£2,906.88

3) Add-Ons & Options

The following optional components can be purchased to extend functional coverage:

Valid Add-Ons within SCM scope

- Inventory Visibility capacity extensions (monthly billing)
- Supply Chain Insights capacity tiers (T1–T3) for forecasting and analytical workloads

Not Included

As per the user's selection (Option A), the following are **not included**:

- Dataverse Database, File or Log Capacity add-ons

- Dynamics 365 Sandbox environments
- Dynamics 365 Operations Order Lines and other logistics-consumption SKUs

4) Framework Discount

A Framework Discount (0–100%) may be applied at Call-Off and is entered directly into the Digital Marketplace application form.

5) Mechanism for Establishing Price

Pricing at Call-Off is determined as follows:

1. Baseline list prices are taken from this Pricing Schedule.
2. The purchaser's framework discount (Section 4) is applied.
3. Optional add-ons are priced according to the relevant tables in Section 3.
4. All prices are exclusive of VAT.
5. This ensures transparent, repeatable and auditable pricing fully aligned with CCS requirements.

6) Price Certainty & Adjustments

- Prices remain fixed for the duration of the subscription term selected (Monthly or Annual).
- Prices may change at renewal in line with Microsoft's NCE pricing rules.
- No mid-term price increases apply to committed-term licences.

7) Dependencies & Assumptions

- Buyer must hold or provision a Microsoft 365 tenant.
- SCM licensing depends on correct role assignments and tenant configuration.
- ISV add-ons (if required) may carry additional costs not covered within this schedule.
- Performance may vary based on network and data-volume factors.

8) Call-Off Schedule 5 Mapping

This Pricing Schedule aligns with Call-Off Schedule 5 by providing:

- Complete list of applicable subscription and capacity prices
- Clear unit and billing models (per user, per capacity)
- Explicit optional items and exclusions

9) Commercial Terms Impacting Price

- Minimum term of 1 month or 12 months applies per SKU.
- Early termination follows NCE rules (no refunds for annual commitments).
- Prices are exclusive of VAT.
- Buyer is responsible for any additional service consumption outside licence entitlements.

10) Service Category Mapping

Aligned service categories for Digital Marketplace visibility:

- **Supply Chain Management Applications**
- **Logistics & Transportation Management**
- **Warehousing & Inventory Management**
- **Planning & Forecasting Applications**

End of Pricing Schedule.
