

Vitaldata Solutions Ltd – Pricing

Version: 1.0

Date: January 2026

1. Pricing model

Vitaldata Solutions Ltd provides services on a time and materials basis using the maximum day rates set out in the rate card below. All charges under any call-off contract will be calculated as the number of days worked multiplied by the applicable maximum day rate. All rates are exclusive of VAT (VAT will be charged where applicable).

2. Definition of a working day

A working day is 8 hours (09:00–17:00), excluding lunch, Monday to Friday (excluding UK public holidays). Support outside standard hours may be available by prior agreement.

3. What is included in the day rate

- Delivery time for the agreed role/services
- Routine remote meetings and standard delivery administration
- Standard project reporting and governance participation

4. What is excluded (additional costs)

- Travel, accommodation and subsistence (unless explicitly agreed in writing in advance)
- Specialist software licence costs (unless explicitly agreed)
- Third-party supplier costs (unless explicitly agreed)

5. Location of delivery

Delivery is provided remotely as default. On-site delivery can be provided where required and agreed with the customer.
