| Monthly price   | £360  | £720   | £1,392 | £2,040 | No. hours *<br>£85 |

- **Consultant's working day:** 7.5 hours exclusive of travel and lunch.
- **Working week:** Monday to Friday excluding national holidays.
- **Office hours:** 9:00am to 5:00pm Monday to Friday.
- **Travel, mileage subsistence:** Included in day rate within M25. Payable at department's standard travel and subsistence rates outside M25.
- **Mileage:** As for travel, mileage subsistence.
- **Professional indemnity insurance:** included in day rate.
- All rates are quoted exclusive of VAT.
- Enterprise style deals & time limited discounts may be available.
- Individual Prices may increase during the contract as per CCS guidelines at call-off level, where reviews have been agreed by both parties prior to the contract award.
- This service is delivered remotely.

\*Beta package only available for websites in Public Beta phase.

**All packages can be upgraded or downgraded with one month's notice.**

We do not penalise clients for exceeding their monthly subscription, and still only charge extra work at the hourly rate according to the package chosen. However, we are unable to guarantee our capacity to take on extra work which has not been previously flagged or agreed to.

If not all subscribed hours are used within a given month, you can **roll over hours** to the following month(s). A cap of one month's subscription is applied.

## 2.1 What's Included

We provide the following services with our packages. How much of each can be delivered is determined by your priorities and the number of hours purchased.

- Drupal development
- Website support
- Upgrades – including security updates, minor upgrades, and major upgrades
- Consultancy services

## 2.2 Out-of-hours support add-on

| Cost (ex VAT)                                 |                                            |
|-----------------------------------------------|--------------------------------------------|
| <b>24/7/365 Critical out-of-hours support</b> | £3,600 flat fee per annum                  |
| <b>Call-out rate</b>                          | Standard subscription package rate applies |

- All rates are quoted exclusive of VAT.
- Any out-of-hours issues which result in the on-duty engineer being paged will be charged at your standard subscription package rate and will be deducted from your monthly hours.
- Out-of-hours support is only available for Critical issues. Other issues will be handled as normal during normal working hours.

## 2.3 Note

If you want us to take over support and maintenance of an existing site, which Annertech has not developed, then a Drupal Site Audit will be required first. Please see the Drupal Site Audit section below for pricing.

### 3 Drupal Site Audit

|                | Off-Site<br>Daily Rate | On-Site<br>Daily Rate |
|----------------|------------------------|-----------------------|
| Technical Lead | £900                   | £1,000                |

The number of days needed to conduct a technical site audit is dependent on the size and complexity of the site in question, but typically take 2 days to complete.

- **Consultant's working day:** 7.5 hours exclusive of travel and lunch.
- **Working week:** Monday to Friday excluding national holidays.
- **Office hours:** 9:00am to 5:00pm Monday to Friday.
- **Travel, mileage subsistence:** Included in day rate within M25. Payable at department's standard travel and subsistence rates outside M25.
