

Pricing Statement

Pricing for this Cloud Support Service is provided and maintained within the **G-Cloud Digital Marketplace portal** in accordance with the **G-Cloud 15 Framework Agreement (RM1557.15)**.

All prices are:

- Based on **roles, job families, and levels**
- Quoted as **day rates**
- Expressed in **GBP (£)**
- **Exclusive of VAT**

The applicable roles, job families, levels, and corresponding rates are defined within the Digital Marketplace pricing fields for this service. Pricing reflects the effort-based delivery model typically used for Cloud Support Services, including consulting, migration, managed services, and operational support.

Any applicable **volume-based discounts** are applied automatically based on the **annual call-off contract value**, as calculated within the Digital Marketplace.

This document is provided **for completeness only**. In the event of any discrepancy, **the pricing published in the Digital Marketplace shall take precedence**.
