ABOUT OUR PRICING

VITA pricing is simple, transparent and all-inclusive, with no hidden fees, add-ons or upsells. Your annual subscription includes everything you need to implement and use VITA.

Our pricing includes:

- Unlimited authorised users
- Configuration to the Local Authority's EHCP template
- Implementation and onboarding
- User training
- Ongoing customer support
- Product updates and enhancements

HOW PRICING WORKS

Pricing is based on the number of active EHCPs maintained by the Local Authority at the point of purchase or renewal. This provides a clear and predictable annual cost regardless of the number of users accessing VITA or the number of individual plans drafted. If EHCP caseload changes during the contract term, pricing will not change until renewal.

Tier	Active EHCP Caseload	Annual Subscription

Tier 3	3,000 – 4,999	£68,000
Tier 4	5,000+	**£60,000*** ~~£75,000~~
