8 Services terms and conditions

All prices are excluding VAT.

Client will have 7 days from delivery to feedback and/or approve each deliverable.

If no feedback or approval is given in that timeframe, it will be invoiced for.

If feedback is provided and there are changes to be made by Addin365, again, on delivery, Client will have 7 days from delivery to feedback and/or approve the deliverable. If no feedback or approval is given in that timeframe, it will be invoiced for.

If the project is stalled or blocked for more than 7 days, Addin365 will invoice for the project in full and disband the project delivery team. When the Client is ready to begin work again Addin365 will re-allocate the team and provide a new recommencement date for the project.

Services invoices are to be paid within 30 days of Client receiving the invoice.

Product invoices are to be paid on receipt of invoice. Addin365 do not install product software until it has been paid for.

Retainers are to be paid upfront and time called off when needed. Retainers must be used within 12 months of project start.

Travel and expenses outside of London will be re-billed to Client.
