

MUNivers G-Cloud Pricing

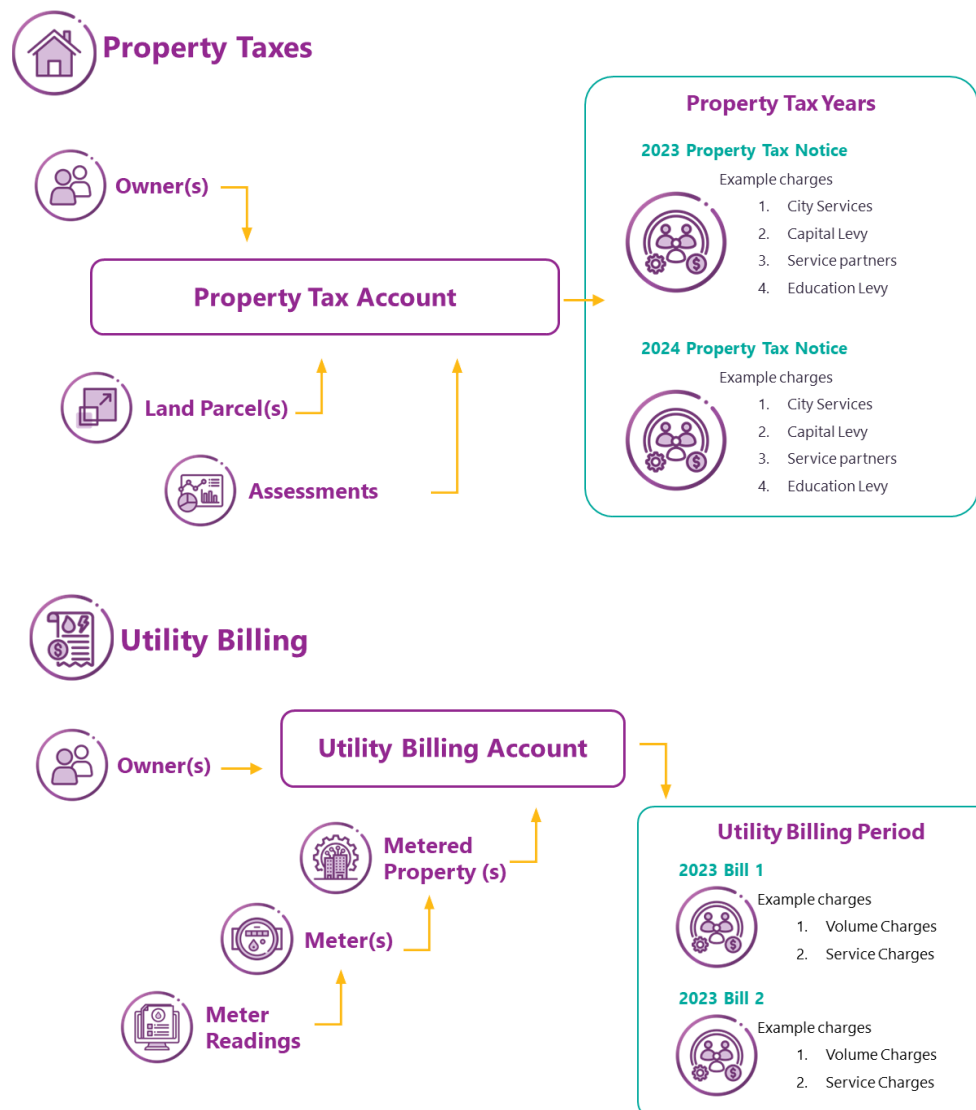

2014

The MUNivers Suite

We are proud to introduce MUNivers Property Tax and Utility Billing, built exclusively for local government and powered by the Salesforce platform. Streamline your back-office processes with configuration-based workflows and provide efficient customer service with our advanced Citizen Engagement capabilities.

Overview/Modules

Pricing

Scenario

- Council with X number of tax assessable properties
- Send out Council Tax Invoices Annually
- Collect Payments in MUNIvers
- Including Citizen Portal

Assessable Properties	Price per Annum
10000	£53,355
30000	£133,865
50000	£193,375

The above pricing is at list price. As all councils are different we need to assess the pricing requirements on a case by case basis.
