1.2 Changes to Services

We continually change and improve our Services. Culture Amp may alter the Services at any time without prior notice. We will provide you with reasonable prior notice if we make a change to the Services resulting in an overall material decrease in functionality of the Services. If we do make a change that results in a material decrease in functionality, you may terminate your Subscription under clause 8.3.

1.3 Suspension of Services

We may limit or suspend the Services from time to time at our discretion (for example, to perform scheduled maintenance or in the event of a security emergency). If Culture Amp limits or suspends the Services, we will give you reasonable advance notice so that you can plan around it. However, there may be some situations, such as security emergencies, where it may not be practicable for us to give you advance notice. We will use commercially reasonable efforts to narrow the scope and duration of the suspension or limitation as is needed to resolve the issue that prompted such action.

We may suspend your access to or use of the Services following thirty (30) days' written notice if Customer is in material breach of this Agreement or any Service Order (including but not limited to Customer's failure to pay Culture Amp the fees for the Services as set forth in a Service Order).

2.3 Payment

Payment terms are set forth on the Service Order (or if not set forth on the Service Order, payment terms are 30 days) and all undisputed payments will be paid by Customer within the time period set forth on the Service Order. 2.4 Interest

Overdue payments may incur interest at the rate of 1.5% per month (or the highest rate permitted by law, if less) on the amount overdue, from the date that the relevant payment was due until that payment has been received. Except for any income taxes payable by Culture Amp, you are responsible for all other taxes or duties payable under applicable law relating to the Services provided under this Agreement, including any penalties or interest. If Culture Amp is required to collect or pay any taxes on your behalf, we will invoice you for those taxes unless you provide us with valid evidence that no tax should be invoiced.
