

G-Cloud 15 Pricing

NHS Patient Engagement & Optimisation Service (Putting Patients First)

Contract Length: Minimum 12 months

Included in Pricing:

- Implementation / Integration
- Training
- Data extractions
- Unlimited regional licenses
- Access for all pathways stakeholders
(e.g. Patients, GP surgeries and central authorities)

Price

£0.50 per electronic patient engagement (per patient contacted digitally).
£5.00 per support phone call (per patient contacted by telephone).
£30.00 per full patient review, including follow-up (per patient reviewed).

Each price applies per individual patient interaction, based on the level of engagement delivered. Full patient reviews may be delivered at population scale where required.

Prices exclude VAT

Discounts

Discounts are available for longer term contracts and organisations buying multiple ECLIPSE modules

Service also available to individual organisations (e.g. GP Surgeries, PCNs)
For smaller activations there is an additional activation charge.
