G-Cloud 15 Framework Pricing

Taranto Parking Enforcement System

Framework Agreement: RM1557.15 (G-Cloud 15)
Lot: Lot 2b - Software as a Service (SaaS)
Supplier: Taranto Systems Limited
Document Version: 1.0
Date: January 2026

TSL's Taranto enforcement solution is designed as a flexible, cloud-hosted platform that is configured uniquely for each client - the system can be used in a multitude of ways, to handle a multitude of scenarios, relating to parking enforcement and the wider landscape, such as permit management, clamp and removal management, and environmental enforcement.

Further competition pricing is dependent upon exact customer requirements; else pricing is indicated below:

Framework Prices:

Pricing provided for the main Taranto system is banded by threshold of PCNs issued annually:

Usage	Annual Fee
Less than 10K PCNs	£18,000.00 + £0.17 per DVLA enquiry
Between 11K and 20k PCNs	£35,000.00 + £0.17 per DVLA enquiry
Between 21K and 100k PCNs	£45,000.00 + £0.17 per DVLA enquiry
Between 101K and 150K PCNs	£55,000.00 + £0.17 per DVLA enquiry
Between 151K and 300K PCNs	£65,000.00 + £0.15 per DVLA enquiry
More than 301K PCNS	£200,000.00 + £0.08 per DVLA enquiry

- DVLA fees, if routed through TSL, are charged per enquiry made.
- For bespoke requirements / installation fees, then additional consultancy fees may apply.
    - Day-rate (Project Management, Development, Testing, Training, Support) = £1,095.00.
- Includes Taranto APIs to enable integration with third parties. Should any integration be required with third-party solutions and bespoke work is required, then this would need to be firstly understood.
