GRANTS MANAGEMENT SOFTWARE

Grant Lifecycle Manager

Simplify grantmaking, maximise impact with cloud-based grant management software for charitable trusts and foundations.

- ✓ Online applications
- ✓ Online grant reviews
- ✓ Online grant agreements and follow ups
- ✓ Impact and outcome measurement
- ✓ Reporting and analytics

Grant Lifecycle Manager (GLM) is designed to manage your entire grantmaking process in one secure, user-friendly solution enabling you to focus on your mission. Unlimited users, including applicants, reviewers, grant recipients, staff, and board members, can access the system anytime, anywhere. Built to be user configurable—GLM's flexible grantmaking helps you meet the unique needs of your grantees.

Over 2,200 funders trust Foundant for grants management software and exceptional support.

Learn more at [Foundant.com](https://foundant.com)

Online applications:

- Create and customise unlimited question forms yourself with rich text editing for an exceptional applicant experience.
- Improve communication and collaboration on both the reviewer and applicant side by giving access to multiple users.

Online grant agreement:

Get grant agreements back in a timely manner with automated reminders.

Reporting and analytics:

Group, sort, analyse, and visualise any data within GLM.

Secure, compliant and accessible:

Protect sensitive data, adhere to industry standards, and ensure compliance with accessibility standards to create inclusive experiences for all users.

Online grant reviews:

Provide reviewers with a convenient and easy-to-use review process.

Impact and outcome measurement:

Offer the flexibility to collect all types of data and stories from your grantees and the communities they serve, including photos and links to online videos.

For Community Foundations—CommunityGLM

Seamlessly integrate grants management with our CommunitySuite solution for comprehensive foundation management.

Creating connections

Foundant develops client-focused, continuously evolving solutions, providing software designed to meet the unique needs of UK funders. With more than a decade of experience, our focus is on helping you to create connection—between your fundees, mission, and stakeholders; between your users and our support team; and across the community of Foundant clients.
