

PRICING SCHEDULE

Eteach SchoolRecruiter ATS Software

1. Product Description

SchoolRecruiter is a cloud-based Applicant Tracking System (ATS) designed specifically for the education sector. The software provides end-to-end recruitment management capabilities including job posting, applicant tracking, automated candidate matching, interview scheduling, compliance management, and reporting.

2. Pricing Schedule

Pricing is based on the total number of staff employed by the organisation. All prices are exclusive of VAT and represent annual subscription fees.

2.1 SchoolRecruiter ATS - Annual Subscription Pricing

Band	No of Staff	School Recruiter Cost
1	Up to 50	£1000
2	51-100	£1,450
