See clause 6.8 in respect of Quotes relating to Products or Services which are billed on a use/consumption basis.

3.1 - Bright Cyber shall use its reasonable efforts to deliver the Products to the premises stated in the Contract (and/or, in the case of electronic delivery of Products, to the email address or other electronic location as agreed) and/or to supply the Services by any delivery date estimated by Bright- Cyber Ltd. For the avoidance of doubt, the Customer acknowledges that such delivery date is not guaranteed or of the essence, and Bright Cyber shall in no circumstances be liable to the Customer for any losses, damages or charges (including Particular Losses) incurred by the Customer due to the late delivery of Products and/or Services.

3.2 - The Customer agrees that it will inspect the Products immediately upon delivery or collection and in all cases shall:

4.3.1 - the Customer shall keep the Products separate from other goods and properly stored, protected, insured & identified as Bright Cyber's property; and

4.3.2 - after the Due Date, Bright Cyber shall be entitled to require the Customer to deliver up the Products to Bright Cyber and if the Customer fails to do so immediately the Customer shall allow (or procure permission for) Bright Cyber or its agents or representatives to enter upon the Customer's premises (or any other premises where the Products are stored) and repossess the goods.

5 - Services

5.1 - Where Bright Cyber agrees to provide Services, any estimate or indication by Bright Cyber as to the number of man days or man hours required by Bright Cyber to undertake a specific task shall be construed as being an estimate only. Bright Cyber shall in no circumstances be liable for a delay or for any other loss, damage or other cost of whatsoever nature (including without limitation Particular Losses) suffered or incurred by the Customer where such estimate or indication is incorrect.

5.2 - Unless stated otherwise, the Fees agreed for the Services do not include travel, accommodation and subsistence expenses, nor the cost of time spent travelling incurred in the provision of the Services for which Bright Cyber shall charge the Customer at its or its subcontractors' (as applicable) then current rates, available on request.

5.3 - Bright Cyber will normally carry out the Services during Working Hours but may, on reasonable notice, require the Customer to provide access to the Customer's premises at other times. This does not apply to Annuity Services, which will generally be available at any time, subject to any applicable service levels and anticipated downtime (for maintenance etc).

5.4 - At the Customer's request, Bright Cyber may agree to provide Services outside Working Hours. However, this shall be subject to any reasonable additional Fees that may be made by Bright Cyber for complying with such request. Such Fees shall be agreed in writing prior to commencement of any work outside of Working Hours.

5.5 - Bright Cyber expects that the Customer has adequate inspection, testing and approval processes and, on completion of any Services provided by Bright Cyber, the sign off by the Customer of such services shall be considered the Customer's absolute acceptance of the satisfactory completion of such Services. In the event that the Customer has not confirmed their acceptance of the Services, nor raised any concerns about them, within 7 days of Bright Cyber notifying the Customer that the Services are complete, the Customer agrees it is reasonable for Bright Cyber to infer their acceptance and, where relevant, invoice for those Services.

5.6 - Should the Customer become dissatisfied with the performance of any personnel assigned by Bright Cyber to perform the Services, the Customer shall notify Bright Cyber in writing with details of the unsatisfactory performance and, provided that Bright Cyber is satisfied that the Customer's dissatisfaction is reasonable, Bright Cyber shall re-assign personnel as soon as reasonably practicable.

5.7 - No liability shall accrue to Bright Cyber as a result of any defects in the delivery of the Services unless:

5.7.1 - a reasonably detailed inspection and testing procedure has been undertaken by the Customer to ascertain that the Services had been undertaken correctly and in full, and

5.7.2 - such inspection would not have been expected to identify the defect-causing loss (due to the latent and uncheckable nature of such defect).

5.8 - Where Bright Cyber agrees to provide support and/or maintenance Services in respect of Products supplied to the Customer, unless otherwise set out in the relevant Customer Schedule this will generally comprise reasonable assistance in the resolution of queries via a telephone call originated by the Customer's licensed users of such Products during Working Hours for the agreed period (limited to first line support only). If Bright Cyber is unable to resolve the query during a telephone call, the Customer may be required to contact the Manufacturer of the Product directly.

5.9 - The Customer may from time to time wish to vary the scope of a Service. Bright Cyber will use reasonable commercial efforts to accommodate that variation. Any changes in the Fees and/or timescales as a result of that variation shall be negotiated between the Customer and Bright Cyber, and where such negotiation has not concluded at the time the Customer confirms the variation is required, the Customer accepts any increase in work required pursuant to the variation shall be provided on a time and materials basis at Bright Cyber's or its subcontractors' (as applicable) then current rates for the same, available on request.

5.10 - Although Services are undertaken with reasonable skill and care, Bright Cyber cannot guarantee the accuracy of any advice, design or report.

6 - Fees and Payment

6.1 - The Fees payable by the Customer for the supply of Product(s) or Services shall be that which is set out and agreed between the Customer and Bright Cyber each time Bright Cyber accepts a Contract placed by the Customer and as specified in the Customer Schedule or Quote as appropriate (unless varied by the Contract and Bright Cyber's acceptance). All Fees quoted are deemed exclusive of value added tax, unless expressly stated to the contrary.

6.2 - Any increase in Fees for the Annuity Services shall be applied no more often than once per year at or around each anniversary of the commencement of those Services and shall not exceed the increase in the UK Retail Price Index or Consumer Price Index (whichever is lower) calculated over the preceding 12 months unless Bright Cyber can demonstrate that its costs in providing such Service have unavoidably increased by a sum exceeding that figure. Bright Cyber shall notify the Customer in writing (a) at least 90 days in advance of any increase in the Fees for the Services, or (b) if Bright Cyber is notified of such increase less than 90 days in advance of it becoming effective, at soon as is reasonably practicable thereafter.

6.3 - Unless otherwise agreed between the Parties, invoices will be raised and dated by Bright Cyber on or after the date of dispatch of the Products, or on or after commencement of the Services. Where both Products and Services are supplied against the same Contract, a separate invoice may be raised for each of those two elements.

6.4 - The Customer shall pay each invoice in full (subject to a bona fide dispute), together with any VAT at the appropriate rate and other expenses, by the Due Date. The time of payment shall be of the essence.

6.5 - If the Customer fails to pay any sums due by the Due Date or does not comply with an obligation under the Contract, then without prejudice to any other right or remedy available to Bright Cyber, Bright Cyber shall be entitled to withhold or suspend the supply of any Products and/or Services to the Customer until such payment is made or the Customer complies with its obligations to Bright Cyber's reasonable satisfaction, or as provided for in G-Cloud Call-Off Contracts.

6.6 - Without prejudice to Bright Cyber's other rights and remedies, Bright Cyber reserves the right to charge interest to the Customer on any Fees which are not paid by the Due Date, at a rate of four per cent per annum above the Bank of England base rate from time to time.

6.7 - Where the Fees for a Contract are not all invoiced at the same time (e.g. where the Fees for each year of a multi-year Contract are invoiced at the start of that year) the Customer is committing to continue to make those payments over the entire period agreed in the Contract. Whilst Bright Cyber will make reasonable efforts to meet the reasonable administrative requests of the Customer, the Customer accepts that they have committed to the entire duration agreed and Bright Cyber will invoice the

Customer for each period in line with the Contract, regardless of whether a purchase order is received from the Customer for a specific period.

6.8 - Where the Fees for a Contract are stated in the Customer Schedule to be based on consumption (e.g. where the Fees are based on the volume of storage used in gigabytes, or number of concurrent users etc.):

6.8.1 - the Customer is committing to pay Bright Cyber the Fees on that periodic basis for all retrospective consumption under that Contract, regardless of whether the relevant Quote was based on a different level of consumption anticipated at that time or purchase orders are received for a different specific consumption/period than actually occurred (and if purchase orders are incorrect or not received, Bright Cyber shall rely on the Customer's initial commitment to purchase pursuant to the Contract, and will automatically invoice the Fees related to actual consumption in line with the Contract); and

6.8.2 - the Customer understands that the Fees stated in a Quote are based on an estimate of expected consumption (which Bright Cyber has calculated based on information provided by the Customer) but the Customer will be invoiced for the quantity and duration of actual consumption (subject in each case to any minimum commitment in respect of both factors, as set out in the Contract) according to their nature, and any reductions or increases in consumption will be payable in line with the Contract as invoiced.

6.9 - If the Customer Schedule provides that the Fees or any part of the Fees shall be split across the duration of a Service or the lifecycle of a Product, or are payable in arrears, then Bright Cyber may withdraw or vary such arrangements, and issue an invoice for any Fees which have yet to be invoiced under the Contract, if:

6.9.1 - Bright Cyber serves a notice of termination of the Contract;

6.9.2 - there is (in the opinion of Bright Cyber) a material adverse change in the creditworthiness of the Customer; or

6.9.3 - the Customer fails to pay any amount which is due and payable.

6.10 - Bright Cyber or its agent shall deliver the Products to any premises (whether in the United Kingdom or in any country) agreed in the Contract and for the avoidance of doubt the Customer shall be liable for any costs incurred by Bright Cyber in relation to carriage, postage and packing and any other applicable taxes and duties. If any deduction or withholding from the Fees is required by way of tax, excise, customs or otherwise from a jurisdiction other than the United Kingdom, the Customer agrees to pay as Fees to Bright Cyber any additional amounts necessary to ensure that the net amount that Bright Cyber receives, after any deduction and withholding, equals the amount Bright Cyber would have received if no deduction or withholding had been required.

6.11 - The Customer acknowledges that Bright Cyber sources Products from outside the United Kingdom, and may purchase in a currency other than pounds sterling. Where

this occurs, the Fees proposed to the Customer in a Quote are based on Bright Cyber's currency exchange rates (including any applicable commissions for currency conversion) on the day of that Quote (available on request). Fees stated in such a Quote are given by way of convenience only and are subject to currency fluctuation. The Fees to be paid by the Customer in pounds sterling will be calculated on the Working Day in the UK on which the Contract is concluded, based on the currency exchange rates applicable that day (with any relevant commissions for currency conversion to be added), and that Fees calculated will become automatically binding at that time.

6.12 - The Customer shall not be entitled to make a set-off or counter-claim or claim a lien in respect of any amounts owed by Bright Cyber and shall pay all amounts due without making a deduction of any kind. Bright Cyber shall be entitled to set-off any amounts owed to it by the Customer against any sums Bright Cyber owes to the Customer.

6.13 - The Customer acknowledges that Bright Cyber is not a finance provider and, where Products and/or Services are paid for by way of a lease or other financial product, it is likely the agreement for the purchase of those Products and/or Services exists directly between the Customer and the finance provider; Bright Cyber is not a party to such agreement and neither Bright Cyber nor the Customer shall have any rights or obligations to each other in respect of Products and/or Services transacted in this manner.

7 - Returns Policy

7.1 - Where returns are permitted by our supply chain, Bright Cyber allows Customers to return unopened Products within 30 days of delivery; however, all returns are at Bright Cyber's sole and absolute discretion, will depend on our suppliers' returns policies and may be subject to reasonable restocking fees or other conditions. Other than in line with the relevant Manufacturer's 'dead on arrival'

(DOA) policies or warranties, Bright Cyber will not accept returns with a value below £50.

7.2 - Under no circumstances will Bright Cyber accept returns of opened Products unless those Products are faulty and the provisions of the remainder of this clause 7 are met. For the avoidance of doubt, no Software on which the seals have been broken can be returned. Software Licenses provided electronically (i.e. other than in physical format) are non-refundable.

7.3 - In circumstances where return of Product(s) is permitted by Bright Cyber, it will issue a creditnote to the Customer so the invoice for the relevant Product is deemed cancelled and, in the event a Customer has already paid for those Products, a refund will be granted. The refund or replacement of faulty or defective Products is subject strictly to individual Manufacturer's DOA policies or warranty, available on

request.

7.4 - In circumstances where return of Product(s) is permitted by Bright Cyber, it will issue a creditnote to the Customer so the invoice for the relevant Product is deemed cancelled and, in the event a Customer has already paid for those Products, a refund will be granted. The refund or replacement of faulty or defective Products is subject strictly to individual Manufacturer's DOA policies or warranty, available on request.

7.5 - Although Bright Cyber may make reasonable efforts to troubleshoot any problems the Customer experiences with the Products, the Customer acknowledges that Bright Cyber is not the Manufacturer of the Products and that Bright Cyber may be contractually limited by that Manufacturer as to the extent of the assistance they are permitted to provide. Accordingly, the Customer may be required to contact the Manufacturer's technical department to troubleshoot and/or to obtain DOA authorisation (which shall be retained by the Customer, along with any call/case reference numbers, and presented to Bright Cyber upon request).

7.6 - In the case where it is established that Products are faulty or defective within the relevant Manufacturer warranty or DOA period, Bright Cyber's customer service department will arrange with the Customer to have the Products collected or returned. In some instances, the Manufacturer's warranties require the Customer to contact a repair agent directly. If this is the case, the Customer will be informed by Bright Cyber's customer service department and provided with the contact details for the relevant Manufacturer to discuss such collection or return.

7.7 - Where Bright Cyber has indicated to the Customer that the return of a Product is permitted, the Customer is responsible for ensuring that the Products are returned to Bright Cyber (or the relevant third party) in their original packaging together with all disks, manuals, cables and any other peripherals, accessories, consumables and other parts or items with which they were boxed or inseparably supplied so as to ensure satisfaction of the Manufacturer's DOA policy and/or warranty stipulations (as appropriate), safe transit and ease of identification. The external packaging must not be damaged or defaced so it is recommended the goods are re-boxed for transport.

7.8 - The Products will be tested on receipt. If no fault is found the Products shall be returned to the Customer at the Customer's cost. If a fault is found and the applicable Manufacturer's DOA period is exceeded, then the Products will be repaired and/or replaced under the terms of the Manufacturer's warranty, to the extent that such warranty remains in force at that time.

7.9 - In the event that the Manufacturer's DOA cover and/or warranty have lapsed, expired, been invalidated or did not apply, Bright Cyber shall have no liability to the Customer for such Product(s).

8 - Customer's Obligations and Warranties

8.1 - In order to enable the fulfilment by Bright Cyber of its obligations under a Contract, the Customer shall, at its own expense:

8.1.1 - comply with, and use the Products and Services in accordance with these Terms and all applicable laws and the manufacturer Terms of Use and/or End User License Agreement (EULA).

8.2.4 - any information and materials supplied by the Customer in connection with a Quote or Contract shall be accurate and complete, and Bright Cyber's use of such shall not cause Bright Cyber to infringe the rights, including any Intellectual Property

Rights, of any third party.

9 - Intellectual Property Rights and Software Licenses

9.1 - The title to and the Intellectual Property Rights in the Product(s) and in the media containing such Product(s) does not pass to the Customer. The Customer is licensed to use such Product(s) in accordance with these Terms and the EULA applicable to those Product(s), and by entering into these Terms and any Contract pursuant to them, the Customer agrees to enter into and comply with the terms of such EULA(s).

9.2 - Each Party grants to the other a non-exclusive, limited, revocable licence to use its Intellectual Property Rights solely to the extent necessary for the other Party to perform its obligations under the Contract. The Parties agree that all Intellectual Property Rights which existed prior to the date of the Contract in relation to any items used in the performance of any Services shall remain the property of the existing owner of those Intellectual Property Rights.

9.3 - Bright Cyber (and/or their supply chain and subcontractors) shall own and be fully entitled to use in any way it deems fit any Intellectual Property Rights, including skills, techniques, materials, concepts or know-how acquired, developed or used in the course of performing any Services and any improvements made or developed during the course of Services. For the avoidance of any doubt, this shall include any improvements or modifications to Products during the duration of the Contract. Nothing herein shall be construed or shall give effect to any transfer of right, title or interest in the Customer's or Bright Cyber's Intellectual Property Rights.

9.4 - Save where the relevant EULA permits such copying, the Customer shall not, without Bright Cyber's prior written consent, copy or reproduce in any way the whole or a part of the user manual or any other documentation which has been supplied to the Customer relating to any Products or Services.

10- Warranties

11.2 - Bright Cyber shall not in any circumstances be liable for Particular Losses, whether direct, indirect or consequential, even if a Party has been advised of the possibility of such losses.

11.3 - The Customer agrees that the limitations on liability in these Terms are reasonable, given the Parties' respective commercial positions and the Customer's option to purchase appropriate insurance in respect of arising risks. The total liability which Bright Cyber shall owe to the Customer in respect of all claims under all Contracts shall not exceed 125% of the Fees paid by the Customer in the last 12 months in respect of the Products or Services to which the claim(s) relate.

11.4 - The Customer shall indemnify and keep Bright Cyber indemnified in respect of any losses, costs, damages, claims and/or expenses incurred by Bright Cyber due to any claims by any third party arising out of any use of, access to or modification of the Customer's computer systems by Bright Cyber on the Customer's instructions and/or use of any materials supplied to Bright Cyber by the Customer (including, but not limited to, actions in line with clause 8.2.4). This indemnity shall survive termination or expiry of a Contract to which it relates.

11.5 - If delivery of Products and/or Services is delayed other than through Bright Cyber's fault, including delay as a result of the Customer's agents or subcontractors, the Customer shall indemnify Bright Cyber for any sums incurred by them as a result of that delay. Any agreed time schedules shall be deferred to a reasonable period of time (no less than the resulting period of the delay).

11.6 - In the event that the Customer fails for any reason to meet their obligations under a Contract, including the obligations set out in clause 8 above, the Customer shall indemnify Bright Cyber against any loss, damage or other cost of whatsoever nature suffered or incurred by Bright Cyber reasonably relating to that failure on the part of the Customer.

11.7 - Unless Bright Cyber undertakes Services with an expressly stated outcome of advising a Customer in writing on the Products and/or Services which it recommends to meet a particular requirement, the Customer acknowledges that it is relying solely upon its own skill and judgement, and not that of Bright Cyber, in determining the suitability of any Products and/or Services and their fitness for any general or specific purpose.

Where Bright Cyber suggests potential Products, or undertakes Services, Bright Cyber shall not be liable for any advice, conclusions or reports which are erroneous or incomplete as a result of the Customer's (or their agent's) failure to supply complete and correct information, including any information which may be relevant but which has not been specifically requested by Bright Cyber (or their subcontractors).

These Terms prevail over any conflicting or additional terms of any purchase order, ordering document, acknowledgement or confirmation or other document issued by Customer, even if signed and returned.
