

CYBERSECURITY CONSULTING & TESTING PRICING MATRIX

Founded in 2007, Razorthorn Security is an ISO27001 certified cyber security consultancy providing consultancy services, security assurance testing, including CREST penetration testing and managed security services. Razorthorn offers its clients an in depth, integrated approach to information security. Razorthorn is well known for excellence and has been recognised by Gartner as a market leader for professionalism and quality in the delivery of PCI consultancy and advice.

Razorthorn Security provides specialised personnel for cybersecurity and information assurance services, with extensive expertise in the public sector.

- Consultant's working day: 8 hours exclusive of travel and lunch
- Working week: Monday to Friday excluding national holidays
- Office hours: 9:00am to 5:00pm Monday to Friday
- Additional costs including travel, subsistence and other reasonable expenses may be charged separately, as detailed by the call off contract terms and conditions
- Professional indemnity insurance: included in day rate
