PRICING DOCUMENT

CLEO INTEGRATED URGENT CARE - PATIENT MANAGEMENT
SYSTEM

1 Introduction

This Pricing Document sets out the maximum framework prices for CLEO Integrated Urgent Care Patient Management System as listed under the G-Cloud 15 Framework Agreement (RM1557.15). It is intended to give Buyers complete visibility of all costs associated with procuring, implementing, and using the service through the Digital Marketplace.

All prices contained within this document:

- Are provided exclusive of VAT
- Prices are subject to annual uplift in line with the CLEO Systems cost base.
- Any pass through costs or direct costs to 3rd parties may require direct invoicing and payment.
- All pricing quoted by CLEO Systems excludes reasonable expenses (which are recharged at cost) and VAT.

The purpose of this Pricing Document is not only to confirm the core cost of the service but also to outline the associated commercial components such as setup fees, licensing, support, hosting, optional add-ons, and where applicable, professional services charged under the Crown Commercial Service (CCS) SFIA model.

The concurrent usage model enables multiple users to share licences across clinic and shift patterns, etc.

A Concurrent User shall be considered using the Supplier Software under a Concurrent User Licence for a period of 4 hours following the initial login to the Supplier Software. More licences can be purchased during the year, with a minimum of 5 licences per subsequent agreement.
